Dear Sheriff Babeu:

On behalf of the students, administration and coaches at Florence K-8, we would like to extend our appreciation for your recent generous contribution towards our athletic program on August 15, 2014. The students at Florence K-8 will benefit from your contribution both now and in the future. In times of limited resources, donations such as yours make an incredible difference in what's available to our students as far as equipment and pay-to-play scholarships.

As a continuing reminder of your generosity, the picture that was taken in your office last Friday when you presented me with the $1,500 check has been posted on our website, district website and has been submitted for a press release. Your gift will truly be remembered.

Thank you for the ongoing support that you have shown us through the recent years. The partnership with the Pinal County Sheriff's Department has been a great association for the students and faculty. We value your assistance and association with our school and district.

Sincerely,

Hugo Hernandez
