Responder Name: ***Crafco, Inc.***

Responders shall complete the following Response Form, indicating their responses in the spaces provided. Additional pages may be added so long as they are clearly referenced in the spaces provided.

Please note: Any exception and the total number of exceptions taken will negatively affect your evaluation score. Compliance to Terms & Conditions has been identified as an evaluation criteria for this Solicitation.

Any exception not contained within this section of the Solicitation will be deemed invalid and will not be considered.

Acceptability of Responses

Offers that do not include this completed Response Form or that do include an incomplete Response Form or that include a completed Response Form with unacceptable responses may cause the entire offer to be deemed unacceptable and therefore non-responsive.

1 Price

Responders shall complete the following pricing tables below.

1.1 Parts (per Section 2.1.1 of the Statement of Work)

Responder shall state the offered discount for parts in the table below. Pricing shall be a discount from list or published price. Using blank spaces in the tables below, Responder shall state additional discounts offered on other parts provided that could benefit Pinal County.

2012, July Sellable Price List

****Prices subject to change without notice.****

Prior to placing any order please contact Crafco Customer Service or your Area Manager for price confirmation.

Only common replacement parts are listed.
If an item is not listed in the price book, please contact Crafco.

For Terms of Sale, please see your Crafco Distributor Book.

Pavement Preservation Products
Restocking Policy

Crafco will only accept the return of products that have been authorized in writing in advance. To obtain authorization contact your customer service representative. A written authorization will be faxed or emailed to you. A copy of the RETURN AUTHORIZATION must accompany the material being returned.

- Not all products are returnable. Products that have a shelf life or are considered made to order or special order may not be returned. No used parts may be returned.

- All returns are subject to restocking charges.

- All products returned must be in the original packaging and be in good and salable condition. Crafco reserves the right to charge repackaging charges in addition to restocking charges.

The 45438 hydraulic filter was first installed on machines 04/10, while the 44805 was used 12/99 to 04/10. The newer 45438 is an internal filter that is red plastic with a 2 bolt mount. The 44805 is painted red with a 3 bolt mount. Units built prior to 12/99 use the 22071 filter, which is an external filter. Order correct filter according to time of machine manufacture and based on above descriptions.
