

**PINAL NONATTAINMENT AREA: Conference Call with Pinal County & Municipalities  
Friday, September 27, 2013**

**Primary Topic: UNPAVED ROADS**

**1. Priorities**

- What are the priorities for paving in the county and cities?
  - Location/level of use/soil type
  - Number of miles
  - Number of miles per year

**2. Options to Paving (location, number of miles, and number of miles per year apply to options)**

Double chip sealing  
Dust suppressants  
Speed restrictions  
Access restrictions  
Watering  
Other methods of stabilization

**3. Money**

Sources of funding for implementing control measures for unpaved roads  
Funding for paving/stabilizing per year

**4. Implementation Schedules**

- Plan must show attainment of standard by 2018.
- Schedules must provide the following:
  - When rules/ordinances (if needed) will be adopted
  - When will measures commence
  - How many miles will be paved or stabilized per year
  - What is the funding source
