**One-on-One Sessions** with Regulators will be available. Meet privately with regulators for facility-specific permit compliance assistance (about 20 minutes, as needed). Limited availability - request a session when you register to reserve your spot.

*Check the Alliance website for agenda updates. Bring all your questions with you!*

**WHO SHOULD ATTEND?** If your facility has an Air Quality permit in the Pinal County area or you are a consultant working with a regulated source in this area, this seminar is for YOU! Seminar speakers include professionals with industry experience applicable to your situation, and experienced regulators. See agenda (at bottom, left) or visit our website for more details, or call if you have questions about attending. All are welcome. **LUNCH and REFRESHMENTS included.**

### LOCATION:

The Historic 1891 Florence Courthouse  
135 North Pinal Street  
Building "A"  
The Ironwood Room  
Florence, Arizona

*Detailed map & directions will be provided with your registration confirmation.*
