

Article 6 Restrictions on Vehicle Parking and use on Vacant Lots

4-6-210. Control Requirement

1. A property owner or operator shall restrict vehicle parking and use on an unstabilized vacant lot. For purposes of this rule, "owner or operator" means any person who owns, leases, operates, controls, or supervises an affected area.
2. No person shall park any motor vehicle on any vacant unstabilized lot without the permission of the owner or operator. The vehicle operator and all persons in whose names the vehicle is registered shall be jointly and severally prima facie responsible for any violation of this prohibition.
3. The requirements under this rule shall not apply to an owner, operator, or anyone using or parking a vehicle with the permission of the owner or operator. Under this subsection, a lessee or an agent of the owner is an operator. Permission under this subparagraph includes access privileges expressly granted by statute, rule, ordinance or regulation of a federal or state agency or political subdivision, as well as access privileges granted as an attribute of any license issued by any such governmental body.
