**Project Completion/Renewal**

Checking the "Project is complete" box below and submitting this form electronically, by mail or in person within 30 days of the project completion date will satisfy the notification requirements under §4-3-180.C.2. If the permit needs to be renewed prior to the project completion, checking the "Permit Renewal" box and submitting this form within 30 days of the permit expiration date will satisfy the same requirements.

- Project is complete      Date: \_\_\_\_\_  
 Permit Renewal Submitted
