

**Public Notice**  
**Expedited Rulemaking**  
**Board of Supervisors Public Hearing**

Pinal County Air Quality proposes that the Board of Supervisors amend existing rules pertaining to air quality control. Additionally, the rulemaking proposal will formally ask the EPA to approve the revisions as elements of the Arizona State Implementation Plan. The proposed revisions are to align the Pinal County Air Quality definition of a Major Source to the Federal Regulation (40 CFR §52.21(b)(1)(i)(c)). A formal notice, including the full text of the proposed revisions was published in the April 3, 2015 edition of the Arizona Administrative Register, which is available on-line at [http://apps.azsos.gov/public\\_services/register/2015/14/28\\_county\\_notices.pdf](http://apps.azsos.gov/public_services/register/2015/14/28_county_notices.pdf).

Given the obligatory nature of the proposed rulemaking, this rule adoption will follow the expedited rulemaking process defined in A.R.S. §49-471.08. Following publication of the notice of expedited rulemaking and a 30-day public comment period (ends at close of business on May 6, 2015), the proposal along with a summary of any comments will be submitted to the Board of Supervisors for consideration and possible adoption. The date, time and location of the Board of Supervisors public hearing-of-adoption is May 27, 2015, 9:30 a.m. at the Pinal County Administrative Complex, Board of Supervisors Hearing Room located at 135 N. Pinal Street, Florence, AZ. 85132.

The agenda for the Board of Supervisors meeting on May 27, 2015 can be found online at <http://pinalcountyz.gov/bos/Pages/AngendaMinutes.aspx>.
