

Pinal County Air Quality
PM10 Stakeholder Workgroup
SIP Mechanics

March 6, 2009

SIP Elements

- Define the “design day”
 - Also define “episode days” as required
- Develop inventories
 - Annual, covering entire NAA
 - Site specific for design day & each episode day
- Develop mitigation strategies
- Modeling – demonstrate attainment for each design day/episode day
 - Atmospheric modeling
 - “Roll-back”
- Define and implement RACM (or BACM?)
