# **ADMISSIONS AND CONTINUED OCCUPANCY POLICY**

---

This Admissions and Continued Occupancy Policy defines the PINAL COUNTY HOUSING and Community Development herein referred to as “PCHCD” policies for the operation of the Public Housing Program, incorporating Federal, State and local law. If there is any conflict between this policy and laws or regulations, the laws and regulations will prevail.

## **1.0 FAIR HOUSING**

It is the policy of the PINAL COUNTY HOUSING and Community Development to fully comply with all Federal, State and local nondiscrimination laws; the Americans with Disabilities Act; and the U.S. Department of Housing and Urban Development regulations governing Fair Housing and equal Opportunity. The PCHCD shall affirmatively further fair housing in the administration of its public housing program.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the PCHCD’ s programs.

To further its commitment to full compliance with applicable Civil Rights laws, the PCHCD will provide Federal/State/local information to applicants/tenants of the Public Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the PCHCD office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The PCHCD will assist any family that believes they have suffered illegal discrimination by providing the family with copies of the appropriate housing discrimination forms. The PCHCD will also assist them in completing the forms if requested, and will provide them with the address of the nearest HUD office of Fair Housing and Equal Opportunity.

## **2.0 REASONABLE ACCOMMODATION**

This policy is applicable to all situations described in the Admission and Continued Occupancy Policy (ACOP) when family initiates contact with the PCHCD; when the PCHCD initiates contact with a family, including when a family applies; and when the PCHCD schedules or re-schedules appointment of any kind.

It is policy of the PCHCD to be service-directed in the administration of its housing programs, and to exercise and demonstrate a high level of professionalism while providing housing services to families.

#### **A. Persons with Disabilities**

A participant with a disability must first ask for a specific change to a policy or practice as reasonable accommodation of his or her disability before the PCHCD will treat a person differently than anyone else. The PCHCD's policies and practices are designed to provide assurances that all persons with disabilities will be provided reasonable accommodation so they may full access and utilize the PCHCD program and related services.

The availability of specific reasonable accommodations will be made known by including notices on PCHCD forms and letters to all families, and all requests will be verified so that the PCHCD can properly accommodate the need presented by disability.

#### **B. Federal Americans with Disabilities Act of 1990**

1. With respect to an individual, the term "Disability" means:
  - a. A physical or mental impairment that substantially limits one or more of the major life activities of an individual;
  - b. A record of such impairment; or
  - c. Being regarded as having such impairment.
2. Those "regarded as having such impairment" may include those with conditions such as obesity or cosmetic disfigurement, and individuals, and individuals perceived to be at high risk of incurring a work-related injury.
3. Individuals with contagious diseases who do not pose a direct threat to others are covered by the act. AIDS victims and those who test positive for HIV the virus are considered to have a disability.
4. An individual who has an infectious or communicable disease that is transmitted to others through handling food, the risk of which cannot be eliminated by reasonable accommodation, may be refused an assignment or a continued assignment to a job involving food handling.
5. Rehabilitation alcohol and drug users are considered to be persons with disabilities for purposes of the ACT. However, current alcohol

and drug users can be held to the same qualification standards for job performance as other employees.

### **C. Undue Hardship**

Request for reasonable accommodation from persons with disabilities will be granted upon verification that they meet the need presented by the disability and they do not create an “undue financial and administrative burden” for the PCHCD, meaning an action requiring “significant difficulty or expense.” This standard is not specifically defined in the Act.

In determining whether accommodation would create an undue hardship, the following guidelines will apply:

1. The nature and cost of the accommodation needed;
2. The overall financial resources of the facility or facilities involved in the provision of the reasonable accommodation; and
3. The number of persons employed at such facility, the number of families likely to need such accommodation, the effect on expenses and resources, or the likely impact on the operation of the facility as a result of the accommodation.

### **D. Request for Reasonable Accommodation**

The PCHCD will encourage the family to make its reasonable accommodation request in writing. However, the PCHCD will consider the accommodation any time the family indicates that an accommodation is needed whether or not a formal written request is submitted.

The family must explain what type of accommodation is needed to provided the person with the disability full access to the PCHCD’s programs and services.

The family must explain the relationship between the requested accommodation and the disability. There must be an identifiable relationship, or nexus, between the requested accommodation and the individual’s disability.

#### E. Verification of Disability

Before providing an accommodation, the PCHCD must determine that the person meets the definition of a person disability, and that the accommodation will enhance the family's access to the PCHCD's programs and services.

If a person's disability is obvious or otherwise known to the PCHCD, and if the need for the requested accommodation is also readily apparent or known' no further verification will be required.

If a family indicates that an accommodation is required for a disability that is not obvious or otherwise known to the PCHCD, the PCHCD must verify that the meets the definition of a person with a disability, and that the limitation imposed by the disability require the requested accommodation.

All information related to a person's disability will be treated in accordance with PCHCD confidentiality policies. In addition to the general requirements that govern all verification efforts, the following requirements apply when verifying a disability:

- Third-party verification must be obtained from an individual identified by the family who is competent to make the determination. A doctor or other medical professional, a peer support group, a non-medical service agency, or a reliable third party who is in a position to know about the individual's disability may provide verification of a disability.
- The PCHCD must request only information that is necessary to evaluate the disability-related need for the accommodation. The PCHCD will not inquire about the nature or extent of any disability.
- Medical records will not be retained in the participant file.

#### F. Approval/Denial of a Requested Accommodation

The PCHCD must approve a request for a reasonable accommodation if the following three conditions are met:

- The request was made by or on behalf of person with disability
- There is a disability-related need for the accommodation
- The requested accommodation is reasonable, meaning it would not impose an undue financial and administrative burden on the PCHCD,

or fundamentally alter the nature of the PCHCD's HCV operations 9 (including the obligation to comply with HUD requirements and regulations).

Requests for accommodations must be assessed on a case-by-case basis, taking into account factors such as the cost of the requested accommodation, the financial resources of the PCHCD at the time of the request, the benefits that the accommodation would provide to the family, and the availability of alternative accommodations that would effectively meet the family's disability-related needs.

Before making a determination whether to approve the requested, the PCHCD may enter into discussion and negotiation with the family, request more information from the family, or may require the family, or may require the family to sign a consent form so that the PCHCD may verify the need for the requested accommodation.

After a request for a reasonable accommodation is presented, the PCHCD will respond in writing.

If the PCHCD denies a request for an accommodation because it is not reasonable (it would impose an undue financial and administrative burden or fundamentally alter the nature of the PCHCD's operations), the PCHCD will discuss with the family whether an alternative accommodation could effectively address the family's disability-related needs without a fundamental alteration to the HCV program and without imposing an undue financial and administrative burden.

If the PCHCD believes that the family has failed to identify a reasonable alternative accommodation after interactive discussion and negotiation, the PCHCD will notify the family, in writing, of its determination.

The PCHCD will verify disabilities under definition in the Fair Housing Amendments Acts of 1988, Section 504 of the 1973 Rehabilitation Act, and the Americans with Disabilities act. All requests for accommodation or modification will be verified with a reliable and knowledgeable professional.

Section 8 owners are encouraged to rent units to persons with disabilities.

The PCHCD offers referrals to persons and families with disabilities to non-profit agencies in the community dedicated to promoting independent living skills for persons with disability

## **2.1 COMMUNICATION**

Notifications of reexamination, inspection, an appointment, or eviction will include information about requesting a reasonable accommodation. Any notification requesting action by the tenant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests for reasonable accommodations will be in writing.

## **2.2 QUESTIONS TO ASK IN GRANTING THE ACCOMMODATION**

- A. Is the requestor a person with disabilities? For this purpose the definition of person with disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such impairment, or is regarded as having such impairment. (The disability may not be apparent to others, i.e., a heart condition.)

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the PCHCD will obtain verification that the person requesting the accommodation is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the PCHCD will obtain documentation that the requested accommodation is needed due to the disability. The PCHCD will not inquire as to the nature of the disability.
- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:
1. Would the accommodation constitute a fundamental alteration? The PCHCD's business is housing. If the request would alter the fundamental business that the PCHCD conducts, that would not be reasonable. For instance, the PCHCD would deny a request to have the PCHCD do grocery shopping for a person with disabilities.
  2. Would the requested accommodation create an undue hardship? Frequently the requested accommodation costs little or nothing. If the cost

would be an undue burden, the PCHCD may request a meeting with the individual to investigate and consider equally effective alternatives.

- D. Generally the individual knows best what it is he or she needs; however, the PCHCD retains the right to be shown how the requested accommodation enables the individual to access or use the PCHCD's programs or services.

If more than one accommodation is equally effective in providing access to the PCHCD's programs and services, the PCHCD retains the right to select the most efficient or economic choice.

The cost necessary to carry out approved requests, including requests for physical modifications, will be borne by the PCHCD if there is no one else willing to pay for the modifications. If another party pays for the modification, the PCHCD will seek to have the same entity pay for any restoration costs.

If the tenant requests as a reasonable accommodation that they be permitted to make physical modifications at their own expense, the PCHCD will generally approve such request if it does not violate codes or affect the structural integrity of the unit.

Any request for an accommodation that would enable a tenant to materially violate essential lease terms will not be approved, i.e., allowing nonpayment of rent, destruction of property, disturbing the peaceful enjoyment of others, etc.

### **3.0 SERVICES FOR LIMITED ENGLISH PROFICIENCY APPLICANTS AND RESIDENTS**

The PCHCD shall do its best, within reason, to assist people with Limited English Proficiency (LEP). This shall be accomplished by assessing the need of LEP persons using the four factors described in the January 22, 2007 Final Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons; Notice published in the Federal Register. The PCHCD shall balance these factors in deciding what to do:

- A. The number or proportion of LEP persons served or encountered in the eligible service area;
- B. The Frequency with which LEP individuals come in contact with the program;
- C. The nature and importance of the program, activity, or service provided by the program; and
- D. The resources available to the Housing Authority and costs.

Depending upon what this analysis reveals, the PCHCD may or may not prepare a Language Access Plan (LAP). If a LAP is needed, the guidance outlined in the above reference Notice shall be utilized.

In addition, the PCHCD will endeavor to have bilingual staff or access to people who speak languages other than English. Finally, the PCHCD shall utilize multilingual “I speak” cards to the maximum degree possible.

## **4.0 FAMILY OUTREACH**

The PCHCD will publicize the availability and nature of the Public Housing Program for extremely low-income, very low and low-income families in a newspaper of general circulation, minority media, and by other suitable means.

To reach people who cannot or do not read the newspapers; the PCHCD will distribute fact sheets to the broadcasting media and initiate personal contacts with members of the news media and community service personnel. The PCHCD will also try to utilize public service announcements.

The PCHCD will communicate the status of housing availability to other service providers in the community and inform them of housing eligibility factors and guidelines so they can make proper referrals for the Public Housing Program.

The objective of this effort is to develop a waiting list that is representative of our low-income community. A particular emphasis will be placed on attracting eligible individuals and families least likely to apply for public housing.

## **5.0 RIGHT TO PRIVACY**

All adult members of both applicant and tenant households are required to annually sign HUD Form 9886, Authorization for Release of Information and Privacy Act Notice. The Authorization for Release of Information and Privacy Act Notice states how family information will be released and includes the Federal Privacy Act Statement.

Any request for applicant or tenant information will not be released unless there is a signed release of information request from the applicant or tenant.

## **6.0 REQUIRED POSTINGS**

In each of its offices, the PCHCD will post, in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

- A. Statement of Policies and Procedures governing Admission and Continued Occupancy
- B. Notice of the status of the waiting list (opened or closed)
- C. A listing of all the developments by name, address, number of units, units designed with special accommodations, address of all project offices, office hours, telephone numbers, TDD numbers, and Resident Facilities and operation hours
- D. Income Limits for Admission
- E. Excess Utility Charges
- F. Utility Allowance Schedule
- G. Current Schedule of Routine Maintenance Charges
- H. Dwelling Lease
- I. Grievance Procedure
- J. Fair Housing Poster
- K. Equal Opportunity in Employment Poster
- L. Any current PCHCD Notices

## **7.0 TAKING APPLICATIONS**

Families wishing to apply for the Public Housing Program will be required to complete an application for housing assistance. Applications will be accepted during regular business hours at:

**970 N. Eleven Mile Corner Road, Casa Grande, AZ 85294**

Applications are taken to compile a waiting list. Due to the demand for housing in the PCHCD jurisdiction, the PCHCD may take applications on an open enrollment basis, depending on the length of the waiting list.

Completed applications will be accepted for all applicants and the PCHCD will verify the information.

Applications may be made in person Monday **through Friday from 8:00 A.M. until 12:00 P.M.**

The completed application will be dated and time stamped upon its return to the PCHCD.

Persons with disabilities who require a reasonable accommodation in completing an application may call the PCHCD to make special arrangements. A Telecommunication Device for the Deaf (TDD) is available for the deaf. The **TDD** telephone number is **1(800)-208-6897 Extension 6379**

The application process will involve two phases. The first phase is the initial application for housing assistance or the pre-application. The pre-application requires the family to provide limited basic information (i.e. family composition, income, etc.) establishing any preferences to which they may be entitled. This first phase results in an apparently eligible family's placement on the waiting list.

Upon receipt of the family's pre-application, the PCHCD will make a preliminary determination of eligibility. The PCHCD will notify an apparently eligible family in writing of the date and time of placement on the waiting list, and the approximate wait before housing may be offered. If the PCHCD determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The PCHCD will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be made in writing.

The second phase is the final determination of eligibility, referred to as the full application. The full application takes place when the family nears the top of the waiting list. The PCHCD will ensure that verification of all preferences, eligibility, suitability and selection factors are current (less than 90 calendar days old) in order to determine the family's final eligibility for admission into the Public Housing Program.

## **8.0 ELIGIBILITY FOR ADMISSION**

### **8.1 INTRODUCTION**

There are five eligibility requirements for admission to public housing: qualifies as a family, has an income within the income limits, meets citizenship/eligible immigrant criteria, provides documentation of Social Security numbers, and signs consent authorization documents. In addition to the eligibility criteria, families must also meet the PCHCD screening criteria in order to be admitted to public housing.

## 8.2 **ELIGIBILITY CRITERIA**

### A. Family Status

1. A **family with or without children**. Such a family is defined as a group of people related by blood, marriage, adoption or affinity that live together in a stable family relationship.
    - a. Children temporarily absent from the home due to placement in foster care are considered family members.
    - b. Unborn children and children in the process of being adopted are considered family members for the purpose of determining bedroom size but are not considered family members for determining income limit.
  2. An **elderly family**, which is:
    - a. A family whose head, spouse, or sole member is a person who is at least 62 years of age;
    - b. Two or more persons who are at least 62 years of age living together; or
    - c. One or more persons who are at least 62 years of age living with one or more live-in aides.
  3. A **near-elderly family**, which is:
    - a. A family whose head, spouse, or sole member is a person who is at least 50 years of age but below the age of 62;
    - b. Two or more persons, who are at least 50 years of age but below the age of 62, living together; or

  4. A **disabled family**, which is:

    - b. Two or more persons with disabilities living together; or
-

- c. One or more persons with disabilities living with one or more live-in aides.
  - d. For purposes of qualifying for low-income housing, does not include a person whose disability is based solely on any drug or alcohol dependence.
- 5. A **displaced family**, which is a family in which each member, or whose sole member, has been displaced by governmental action, or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal disaster relief laws.
  - 6. A **remaining member of a tenant family**.
  - 7. A **single person** who is not an elderly or displaced person, a person with disabilities, or the remaining member of a tenant family.

B. Income Eligibility

- 1. To be eligible for admission to developments or scattered-site units, the family's annual income must be within the low-income limit set by HUD. This means the family income cannot exceed 80 percent of the median income for the area. If the property has Low Income Housing Tax Credits on it, a lower income cap will apply.
- 2. Income limits apply only at admission and are not applicable for continued occupancy.
- 3. A family may not be admitted to the public housing program from another assisted housing program (e.g., tenant-based Section 8) or from a public housing program operated by another housing authority without meeting the income requirements of the PCHCD.
- 4. If the PCHCD acquires a property for federal public housing purposes, the families living there must have incomes within the low-income limit in order to be eligible to remain as public housing residents.
- 5. Income limit restrictions do not apply to families transferring within our Public Housing Program.
- 6. The PCHCD may allow police officers who would not otherwise be eligible for occupancy in public housing to reside in a public housing dwelling unit. Such occupancy must be needed to increase security for

public housing residents. Their rent shall at least equal the cost of operating the public housing unit.

7. If there are no eligible families on the waiting list and the PCHCD has published a 30 calendar day notice of available units in at least one newspaper of general circulation, families above the applicable income limit may be housed. They must vacate the unit if an eligible family applies.

C. Citizenship/Eligibility Status

1. To be eligible for public housing each member of the family must be a citizen, national, or a non-citizen who has eligible immigration status under one of the categories set forth in Section 214 of the Housing and Community Development Act of 1980 (see 42 U.S.C. 1436a (a) or a citizen of the Republic of Marshall Islands, the Federated States of Micronesia, or the Republic of Palau. However, people in the last category are not entitled to housing assistance in preference to any United States citizen or national resident within Guam.
2. Family eligibility for assistance.
  - a. A family shall not be eligible for assistance unless at least one member of the family residing in the unit is determined to have eligible status, with the exception noted below.
  - b. Despite the ineligibility of one or more family members, a mixed family may be eligible for one of three types of assistance (See Section 13.5 for calculating rents under the non-citizen rule).
  - c. A family without any eligible members and receiving assistance on June 19, 1995, may be eligible for temporary deferral of termination of assistance.

D. Social Security Number Documentation

To be eligible, all family members must provide a Social Security number.

E. Signing Consent Forms

1. In order to be eligible, each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.

2. The consent form must contain, at a minimum, the following:
  - a. A provision authorizing HUD or the PCHCD to obtain from State Wage Information Collection Agencies (SWICAs) any information or materials necessary to complete or verify the application for participation or for eligibility for continued occupancy;
  - b. A provision authorizing HUD or the PCHCD to verify with previous or current employers or other sources of income information pertinent to the family's eligibility for or level of assistance;
  - c. A provision authorizing HUD to request income information from the IRS and the SSA for the sole purpose of verifying income information pertinent to the family's eligibility or level of benefits;
  - d. A statement allowing the PCHCD permission to access the applicant's criminal record with any and all police and/or law enforcement agencies, and
  - e. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed.

### 8.3 *SUITABILITY*

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in compliance with the public housing lease. The PCHCD will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, PCHCD employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.
- B. The PCHCD will consider objective and reasonable aspects of the family's background, including the following:
  1. History of meeting financial obligations, especially rent and any utility payments;
  2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or

housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;

3. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;
4. History of disturbing neighbors or destruction of property;
5. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and
6. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.

C. The PCHCD will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The PCHCD will verify the information provided. Such verification may include but may not be limited to the following:

1. A credit check of the head, spouse, co-head, and any other adult family members;
2. A rental history check of all adult family members;
3. A criminal background check on all adult household members, including live-in aides at no cost to the applicant. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the PCHCD may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC). This criminal background check will proceed after each adult household member has signed a consent form designed by the PCHCD.

The information received as a result of the criminal background check shall be used solely for screening, lease enforcement and eviction purposes. The information derived from the criminal background check shall be shared only with employees of the PCHCD who have a job-related need to have access to the information. The information shall be maintained confidentially, not misused or improperly disseminated, and

destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the PCHCD 's action has expired without a challenge or final disposition of any litigation has occurred;

4. Four personal references will be required along with current and past land lord references. All references must have complete address along with current phone numbers.
5. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No household with an individual registered under a State sex offender registration will be admitted to public housing. The PCHCD will check with our State registry and if the applicant has resided in another State(s), with that State(s)'s list.

If an applicant is about to be denied housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the denial or eviction occurs.

#### **8.4 GROUNDS FOR DENIAL**

The PCHCD is not required or obligated to assist families where applicants or members of the applicant's household:

- A. Do not meet any one or more of the eligibility criteria;
- B. Do not supply information or documentation required by the application process;
- C. Have failed to respond to a written request for information or a request to declare their continued interest in the program;
- D. Have a history of not meeting financial obligations, especially rent;
- E. Do not have the ability to maintain (with assistance) their housing in a decent and safe condition where such habits could adversely affect the health, safety, or welfare of other tenants;
- F. Have a history of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related or gang related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;

For the purpose of this Policy, if any member of the applicant family has been arrested at least one (1) time within the prior three (3) year period for this purpose, they will be determined to have engaged in criminal activity, drug-related or gang related criminal activity or violent criminal activity.

- G. Have a history of disturbing neighbors or destruction of property;
- H. Currently owes rent or other amounts to any housing authority in connection with their public housing or Section 8 programs;
- I. Have committed fraud, bribery or any other corruption in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from;
- J. Were evicted from federally assisted housing within the past three years because of drug-related or gang related criminal activity. The three year limit is based on the date of such eviction, not the date the crime was committed.

However, the PCHCD may admit the household if the PHA determines:

- 1. The evicted household member who engaged in drug-related or gang related criminal activity has successfully completed a supervised drug rehabilitation program approved by the PCHCD and have been crime free for one year; or
  - 2. The circumstances leading to the eviction no longer exist (for example, the criminal household member is imprisoned or has died).
- K. Are currently engaging in the illegal use of a controlled substance. (For purposes of this section, a member is “currently engaged in” the criminal activity if the person has engaged in this behavior recently enough to justify a reasonable belief that the behavior is current);
  - L. The PCHCD determines that it has reasonable cause to believe that a household member’s illegal use or pattern of illegal use of a drug may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;
  - M. The PCHCD determines that it has reasonable cause to believe that a household member’s abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;

With respect to criminal activity described in paragraphs J, K, L, and M of this Section, PCHCD may require an applicant to exclude a household member in

order to be admitted to housing where that household member has participated in or been culpable for actions described in paragraphs J, K, L, and M that warrants denial.

- N. Have engaged in or threatened abusive or violent behavior towards any PCHCD staff member or resident;
- O. Fugitive felons, parole violators, and persons fleeing to avoid prosecution or custody or confinement after conviction for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees;
- P. **Denied for Life:** If any family member has been convicted of manufacturing or producing methamphetamine (speed) in a public housing development, in a Section 8 assisted property, or on the premises of other federally assisted housing;
- Q. **Denied for Life:** Has a lifetime registration under a State sex offender registration program.

In determining whether to deny admission for illegal drug use by a household member who is no longer engaging in such abuse, or for abuse or a pattern of abuse of alcohol by a household member who is no longer engaging in such abuse, the PCHCD may consider whether such household member:

- 1. Is participating in a supervised drug or alcohol rehabilitation program;
- 2. Has successfully completed a supervised drug or alcohol rehabilitation program;  
or
- 3. Has otherwise been successfully rehabilitated and been free of all substance and not engaged in abuse of any kind for a period of one year.

For this purpose, PCHCD will require the applicant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

Before the PCHCD denies admission to the PCHCD's public housing program on the basis of a criminal record, the PCHCD must notify the household of the proposed action and must provide the person with the criminal record (i.e., a child) and the applicant (head of household) with a copy of the criminal record and an opportunity to dispute the accuracy and relevance of that record. The applicant will have ten (10) business days to dispute the accuracy and relevance of the record in writing. If the PCHCD does not receive the dispute within the allotted time, the applicant will be denied.

## **8.5 INFORMAL REVIEW**

- A. If the PCHCD determines that an applicant does not meet the criteria for receiving public housing assistance, the PCHCD will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision and state that the applicant may request in writing an informal review of the decision within 10 business days of the denial. The PCHCD will describe how to obtain the informal review.

The informal review may be conducted by any person designated by the PCHCD, other than a person who made or approved the decision under review or subordinate of this person. The applicant must be given the opportunity to present written or oral objections to the PCHCD's decision. The PCHCD must notify the applicant of the final decision within 14 calendar days after the informal review, including a brief statement of the reasons for the final decision.

- B. The applicant may request that the PCHCD provide for an Informal Hearing after the family has notification of an INS decision on their citizenship status on appeal, or in lieu of request of appeal to the INS. This request must be made by the applicant within 30 calendar days of receipt of the Notice of Denial or Termination of Assistance, or within 30 calendar days of receipt of the INS appeal decision.

For the applicants, the Informal Hearing Process above will be utilized with the exception that the applicant will have up to 30 calendar days of receipt of the Notice of Denial or Termination of Assistance, or of the INS appeal decision.

## **9.0 MANAGING THE WAITING LIST**

### **9.1 OPENING AND CLOSING THE WAITING LIST**

Opening of the waiting list will be announced with a public notice stating that applications for public housing will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation and also by any available minority media. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program and such applicants will not lose their place on other waiting lists when they apply for public housing. The notice will include the Fair Housing logo and slogan and will be in compliance with Fair Housing requirements.

Closing of the waiting list will also be announced with a public notice. The public notice will state the date the waiting list will be closed and for what bedroom sizes. The public

notice will be published in a local newspaper of general circulation and also by any available minority media.

## **9.2 ORGANIZATION OF THE WAITING LIST**

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;
- B. All applications will be maintained in order of bedroom size, preference, and then in order of date and time of application; and
- C. Any contact between the PCHCD and the applicant will be documented in the applicant file.

## **9.3 FAMILIES NEARING THE TOP OF THE WAITING LIST**

When a family appears to be nearing the top of the waiting list, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The PCHCD must notify the family in writing of this determination and give the family the opportunity for an informal review.

Once the preference has been verified, the family will complete a full application, present Social Security number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

## **9.4 PURGING THE WAITING LIST**

The PCHCD will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents the interested families for whom the PCHCD has current information, i.e., applicant's address, family composition, income category, and preferences.

## **9.5 REMOVAL OF APPLICANTS FROM THE WAITING LIST**

The PCHCD will not remove an applicant's name from the waiting list unless:

- A. The applicant requests in writing that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program;

- C. The applicant does not meet either the eligibility or suitability criteria for the program; or
- D. The applicant is housed.

Applicants will be offered the right to an informal review before being removed from the waiting list.

## **9.6 MISSED APPOINTMENTS**

All applicants who fail to keep a scheduled appointment with the PCHCD will be sent a notice of termination of the process for eligibility.

The PCHCD will allow the family to reschedule for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause. When good cause exists for missing an appointment, the PCHCD will work closely with the family to find a more suitable time.

## **9.7 NOTIFICATION OF NEGATIVE ACTIONS**

Any applicant whose name is being removed from the waiting list will be notified by the PCHCD, in writing, that they have ten (10) business days from the date of the written correspondence to present mitigating circumstances or request in writing an informal review. The PCHCD system of removing applicant names from the waiting list will not violate the rights of persons with disabilities. If an applicant claims that their failure to respond to a request for information or updates was caused by a disability, the PCHCD will verify that there is in fact a disability and the disability caused the failure to respond, and will provide a reasonable accommodation. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

# **10.0 TENANT SELECTION AND ASSIGNMENT PLAN**

## **10.1 PREFERENCES**

The PCHCD will select families based on the following preferences within each bedroom size category based on our local housing needs and priorities:

- A. Displaced person(s): Individuals or families displaced by government action or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal Disaster Relief Laws. Individuals and families in domestic violence situations.

- B. Applicants with an adult family member who either lives or works or has been hired to work in the (county or municipality) of the PCHCD. The residency preference will not have the purpose or effect of delaying or otherwise denying admission to the program based on the race, color, ethnic origin, gender, religion, disability, or age of any member of an applicant family.
- C. Applicants with an adult family member enrolled in an employment training program, currently working 20 hours a week, or attending school on a full-time basis. This preference is also extended equally to all elderly/disabled families and all families whose head or spouse is receiving income based on their inability to work.
- D. All other applicants

Based on the above preferences, all families in preference A will be offered housing before any families in preference B, preference B families will be offered housing before any families in preference C, and preference C families will be offered housing before any families in preference D.

The date and time of application will be noted and utilized to determine the sequence within the above prescribed preferences.

Notwithstanding the above, families who are elderly, disabled, or displaced will be offered housing before other single persons.

**Buildings Designed for the Elderly and Disabled (Mixed Population Developments):** Preference will be given to elderly and disabled families. If there are no elderly or disabled families on the list, preference will then be given to near-elderly families. If there are no near-elderly families on the waiting list, units will be offered to families who qualify for the appropriate bedroom size using these priorities. All such families will be selected from the waiting list using the preferences as outlined above.

**Buildings Designated as Elderly or Disabled Only Housing:** The Santa Cruz Village Apartments has been approved by HUD as being designated for elderly or disabled only. The following priorities apply to this complex only and do not apply to the above. In filling vacancies in this development, first priority will be given to those residents in Pinal County, second will be Residents of the State of Arizona and third, will be all other applicants. Using these priorities, families will be selected from the waiting list using the preferences as outlined above.

**Accessible Units:** Accessible units will be first offered to families who may benefit from the accessible features who reside in the development that has the vacancy. If there are no families residing in that development needing the accessible unit, it shall then be offered

to families residing in other developments who may benefit from the accessible unit. If there are no families residing in the other developments needing the accessible unit, it shall then be offered to applicants on the waiting list who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above.

If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, will be requested to sign a lease rider stating they will accept a transfer (at the Housing Authority's expense) if, at a future time, a family requiring an accessible feature applies or a family requires a transfer from a non-accessible unit. Any family required to transfer will be given a 30-day notice.

**10.2 ASSIGNMENT OF BEDROOM SIZES**

The following guidelines will determine each family’s unit size without overcrowding or over-housing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	1	2
1	1	2
2	3	4
3	5	6
4	7	8
5	9	10

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons. Zero bedroom units will only be assigned to one-person families.

In determining bedroom size, the PCHCD will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children currently under a 50% or more joint custody decree, children who are temporarily away at school, or children who are temporarily in foster care. Live in aides will have a separate bedroom.

- A. Units smaller than assigned through the above guidelines. A family may request a smaller unit size than the guidelines allow. The PCHCD will allow the smaller

size unit so long as generally no more than two (2) people per bedroom are assigned. In such situations, the family will sign a certification stating they understand they will be ineligible for a larger size unit for 3 years or until the family size changes, whichever may occur first, or when a unit becomes available.

- B. Units larger than assigned through the above guidelines. A family may request a larger unit size than the guidelines allow. The PCHCD will allow the larger size unit if the family provides a verified medical or disability related need that the family be housed in a larger unit.
- C. If there are no families on the waiting list for a larger size, smaller families may be housed if they sign a release form stating they will transfer (at the family's own expense) to the appropriate size unit when an eligible family needing the larger unit applies. The family transferring will be given a 10 calendar day notice before being required to move.
- D. Larger units may be offered in order to improve the marketing of a development suffering a high vacancy rate.
- E. In no event will a single person who is not an elderly person or a displaced person, or a person with disabilities be provided with a unit that is larger than one-bedroom.

### ***10.3 SELECTION FROM THE WAITING LIST***

The PCHCD shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To ensure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

If admissions of extremely low-income families to the PCHCD's voucher program during a fiscal year exceed the 75% minimum targeting requirement for the PCHCD's voucher program, such excess shall be credited (subject to the limitations in this paragraph) against the PCHCD's basic targeting requirement for the same fiscal year.

The fiscal year credit for voucher program admissions that exceeds the minimum voucher program targeting requirement shall not exceed the lower of:

- A. Ten % of public housing waiting list admissions during the PCHCD fiscal year;
- B. Ten % of waiting list admissions to the PCHCD's Section 8 tenant-based assistance program during the PHA fiscal year; or

- C. The number of qualifying low-income families who commence occupancy during the fiscal year of PCHCD public housing units located in census tracts with a poverty rate of 30 % or more. For this purpose, qualifying low-income family means a low-income family other than an extremely low-income family.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

#### **10.4 DECONCENTRATION POLICY**

It is the PCHCD's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The PCHCD will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

**OR**

The PCHCD is not subject to the deconcentration requirements according to 24 CFR 903. Nevertheless, the PCHCD will affirmatively market its housing to all eligible income groups.

#### **10.5 OFFER OF A UNIT**

When the PCHCD discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the income targeting goal.

The PCHCD will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail. The family will be given five (5) business days from the date the family was

contacted by telephone or from the date the letter was mailed to contact the PCHCD regarding the offer.

The family will be offered the opportunity to view the unit. The family will have two, (2) Business days to accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the PCHCD will send the family a letter documenting the offer and the rejection and withdraw them from the waiting list from the specific rejected area

#### **10.6 REJECTION OF UNIT**

If in making the offer to the family the PCHCD skipped over other families on the waiting list in order to meet their de-concentration goal or offered the family any other de-concentration incentive and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the PCHCD did not skip over other families on the waiting list to reach this family, did not offer any other de-concentration incentive, and the family rejects the unit without good cause, the family will forfeit their application's date and time. The family will keep their preferences, but the date and time of application will be changed to the date and time the unit was rejected.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes, among other things, reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

#### **10.7 ACCEPTANCE OF UNIT**

The family will be required to sign a lease that will become effective no later than three (3) business days after the date of acceptance or the business day after the day the unit becomes available, whichever is later.

Prior to signing the lease, all families (head of household) and other adult family members will be required to attend the Lease and Occupancy Orientation when they are initially accepted for occupancy. The family will not be housed if they have not attended the orientation. Applicants who provide prior notice of an inability to attend the orientation will be rescheduled. Failure of an applicant to attend the orientation, without good cause, may result in the cancellation of the occupancy process.

The applicant will be provided a copy of the lease, the grievance procedure, utility allowances, utility charges, the current schedule of routine maintenance charges, and a request for reasonable accommodation form, Lead Base Paint, Rules and Regulations and Rental Policy. These documents will be explained in detail. The applicant will sign a certification that they have received these documents and that they have reviewed them with Housing Authority personnel. The certification will be filed in the tenant's file.

The signing of the lease and the review of financial information are to be privately handled. The head of household and all adult family members will be required to execute the lease prior to admission. One executed copy of the lease will be furnished to the head of household and the PCHCD will retain the original executed lease in the tenant's file. A copy of the grievance procedure will be attached to the resident's copy of the lease.

The family will pay a security deposit at the time of lease signing. The security deposit will be equal to \$ 200.00

There will be a mail box key deposit equal to \$ 40.00 (if applicable) this deposit will be refunded upon the return of the key.

In addition to the above, as addressed in Section 18.6 a pet deposit of \$ 100.00 (if applicable) will apply.

In the case of a move within public housing, the security deposit for the first unit will be transferred to the second unit. Additionally, if the security deposit for the second unit is greater than that for the first, the difference will be collected from the family.

In the event there are costs attributable to the family for bringing the first unit into condition for re-renting, the family shall be billed for these charges.

## **11.0 INCOME, EXCLUSIONS, AND DEDUCTIONS FROM INCOME**

To determine annual income, the PCHCD adds the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the PCHCD subtracts all allowable deductions (allowances) to determine the Total Tenant Payment.

### **11.1 INCOME**

Annual income means all amounts, monetary or not, that:

- A. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member; or
- B. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
- C. Are not specifically excluded from annual income.

If it is not feasible to anticipate a level of income over a 12-month period (e.g. seasonal or cyclic income), or the PCHCD believes that past income is the best available indicator of expected future income, the PCHCD may annualize the income anticipated for a shorter period, subject to a re-determination at the end of the shorter period.

Annual income includes, but is not limited to, the amounts specified in the federal regulations currently found in 24 CFR 5.609:

- A. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
- B. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is a reimbursement of cash or assets invested in the operation by the family.
- C. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD. Income that could have been derived from assets worth more than \$1000 that were disposed of for less than fair market value within the past two years will be counted as income.

- D. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)
- E. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)
- F. Welfare assistance
  - 1. Welfare assistance payments
    - a. Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:
      - i. Qualify as assistance under the TANF program definition at 45 CFR 260.31; and
      - ii. Are not otherwise excluded under paragraph Section 11.2 of this Policy.
    - b. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:
      - i. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
      - ii. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.
  - 2. Imputed welfare income

- a. A family's annual income includes the amount of imputed welfare income (because of specified welfare benefits reductions resulting from either welfare fraud or the failure to comply with economic self-sufficiency requirements, as specified in notice to the PCHCD by the welfare agency) plus the total amount of other annual income.
- b. At the request of the PCHCD, the welfare agency will inform the PCHCD in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the PCHCD of any subsequent changes in the term or amount of such specified welfare benefit reduction. The PCHCD will use this information to determine the amount of imputed welfare income for a family.
- c. A family's annual income includes imputed welfare income in family annual income, as determined at an interim or regular reexamination of family income and composition during the term of the welfare benefits reduction (as specified in information provided to the PCHCD by the welfare agency).
- d. The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.
- e. The PCHCD will not include imputed welfare income in annual income if the family was not an assisted resident at the time of the sanction.
- f. If a resident is not satisfied that the PCHCD has calculated the amount of imputed welfare income in accordance with HUD requirements, and if the PCHCD denies the family's request to modify such amount, then the PCHCD shall give the resident written notice of such denial, with a brief explanation of the basis for the PCHCD's determination of the amount of imputed welfare income. The PCHCD's notice shall also state that if the resident does not agree with the determination, the resident may grieve the decision in accordance with our grievance policy. The resident is not required to pay an escrow deposit for the portion of the resident's rent attributable to the imputed welfare income in order to obtain a grievance hearing.

3. Relations with welfare agencies

- a. The PCHCD will ask welfare agencies to inform it of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the PCHCD written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.
- b. The PCHCD is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency and specified in the notice by the welfare agency to the housing authority. However, the PCHCD is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.
- c. Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The PCHCD shall rely on the welfare agency notice to the PCHCD of the welfare agency's determination of a specified welfare benefits reduction.

- G. Periodic and determinable allowances, such as alimony, child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.
- H. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

**11.2 ANNUAL INCOME**

Annual income does not include the following amounts specified in the federal regulations currently found in 24 CFR 5.609:

- A. Income from employment of children (including foster children) under the age of 18 years;
- B. Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);
- C. Kinship care payments when foster children are placed with a related legal guardian.

9. Adoption assistance payments in excess of \$480 per adopted child;

The disallowance of increased income of an individual family member is

limited to a lifetime 48-month period. It only applies for 12 months of the 100% exclusion and 12 months of the 50% exclusion.

(While HUD regulations allow for the housing authority to offer an escrow account in lieu of having a portion of their income excluded under this paragraph, it is the policy of this housing authority to provide the exclusion in all cases.)

11. Deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts;
12. Deferred Department of Veterans Affairs (VA) disability benefits that are received in a lump sum amount or in prospective monthly amounts.

- A. \$480 for each dependent;
- B. \$400 for any elderly family or disabled family;

3. The Medicare assistance provided for the cost of drugs pursuant to prescription drug discount cards, negotiated drug price, or transitional assistance subsidies
- D. Reasonable childcare expenses for children 12 and younger necessary to enable a member of the family to be employed or to further his or her education. This deduction shall not exceed the amount of employment income that is included in annual income.

#### ***11.4 RECEIPT OF A LETTER OR NOTICE FROM HUD CONCERNING INCOME***

- A. If a public housing resident receives a letter or notice from HUD concerning the amount or verification of family income, the letter shall be brought to the person responsible for income verification within thirty (30) calendar days of receipt by the resident.

If the reconciliation is completed during the final five (5) calendar days of the month, the new rent shall take effect on the first day of the second month following the end of the current month. In addition, if the resident had not previously reported the proper income, the PCHCD shall do one of the following:
1. Immediately collect the back rent due to the agency;
  2. Establish a repayment plan for the resident to pay the sum due to the agency;
  3. Terminate the lease and evict for failure to report income; or
  4. Terminate the lease, evict for failure to report income, and collect the back rent due to the agency.

## **11.5 COOPERATING WITH WELFARE AGENCIES**

The PCHCD will make its best efforts to enter into cooperation agreements with local welfare agencies under which the welfare agencies will agree:

- A. To target assistance, benefits and services to families receiving assistance in the public housing and Section 8 tenant-based assistance program to achieve self-sufficiency; and
- B. To provide written verification to the PCHCD concerning welfare benefits for families applying for or receiving assistance in our housing assistance programs.

## **12.0 VERIFICATION**

The PCHCD will verify information related to waiting list preferences, eligibility, admission, and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations; full-time student status of family members 18 years of age and older; Social Security numbers; and citizenship/eligible non-citizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

### **12.1 ACCEPTABLE METHODS OF VERIFICATION**

Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or, for citizenship, documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by the following five verification methods acceptable to HUD, in the order of preference indicated:

#### **1. Up-front Income Verifications (UIV)**

UIV is the verification of income through an independent source that systematically maintains income information in computerized form for a large number of individuals.

Current UIV resources include the following:

- a. **Enterprise Income Verification (EIV)** – HUD’s online wage and benefit system that allows PCHCD to verify tenant-reported income from an independent source in computerized form.
- b. **State Wage Information Collection Agencies (SWICAs)**
- c. **State systems for the Temporary Assistance for Needy Families (TANF) program**
- d. **Credit Bureau Information (CBA) credit reports**
- e. **Internal Revenue Service (IRS) Letter 1722**
- f. **Private sector databases (e.g. The Work Number)**

The PCHCD will use additional UIV resources as they become available. This will be done before, during and/or after examinations and/or re-examinations of household income as appropriate.

It is important to note that UIV data will only be used to verify a participant’s eligibility for participation in a rental assistance program and to determine the level of assistance the participant is entitled to receive and only by properly trained persons whose duties require access to this information. Any other use, unless approved by the HUD Headquarters UIV Security System Administrator, is specifically prohibited and will not occur.

No adverse action can be taken against a participant until the PCHCD has independently verified the UIV information and the participant has been granted an opportunity to contest any adverse findings through the established grievance procedure. The consequences of adverse findings may include the PCHCD requiring the immediate payment of any over-subsidy, the entering into a repayment agreement, eviction, criminal prosecution, or any other appropriate remedy.

Furthermore, the information the PCHCD derives from the UIV system will be protected to ensure that it is utilized solely for official purposes and not disclosed in any way that would violate the privacy of the affected individuals.

Once the data has served its purpose, it shall be destroyed by either burning or shredding the data.

## **2. Third –Party Written Verifications**

This type of verification includes written documentation, with forms sent directly to and received directly from a source, not passed through the hands of the family. It may also be a report generated automatically by another government agency, i.e., Department of Welfare, Veterans Administration, etc.

Third-party written verifications may also be used to supplement Up-front Income Verifications. They will be utilized when there is a discrepancy of \$200 a month or more and the participant disputes the UIV results.

Third party verification of SS and SSI benefits shall be obtained by getting a copy of an official Social Security Administration letter of benefits from the person receiving the benefits and verification from HUD's on-line systems. If either of these forms of verification are not obtainable, then the file shall be documented as to why third party verification was not used.

The PCHCD will allow two (2) weeks for the return of third party written verifications prior to continuing on to the next type of verification.

## **3. Third-Party Oral Verifications**

This type of verification includes direct contact with the source, in person or by telephone. When this method is used, staff members will be required to document in writing with whom they spoke, the date of the conversation and the facts obtained.

The PCHCD will allow ten (10) business days for the return of third party oral verifications prior to continuing on to the next type of verification.

## **4. Review of Documents**

When UIV, written and oral third party verifications are not available within the ten (2) week and ten (10) business day's period allowed in paragraphs 2 and 3 above, the Housing Authority will use the information received by the family, provided that the documents provide complete information. Photocopies of the documents, excluding government checks, provided by the family will be maintained in the file. In cases in

which documents are viewed and cannot be photocopied, staff reviewing the documents will complete a written statement as to the contents of the document(s).

**5. Self-Certification and Self-Declaration**

When UIV, written and oral third party verifications are not available within the XXX (X) week and XXX (X) business days period allowed in paragraphs 2 and 3 above, and hand-carried verification cannot be obtained, the Housing Authority will accept a statement detailing information needed, signed by the head, spouse, co-head, or other adult family member.

Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e. name, date of contact, amount received, etc.

When any verification method other than Up-Front Income Verification is utilized, the PCHCD will document the reason for the choice of the verification methodology in the applicant/resident’s file.

**12.2 TYPES OF VERIFICATION**

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. To obtain written third party verification, the PCHCD will send a request form to the source along with a release form signed by the applicant/tenant via first class mail.

### **Whom Does This Statutory Requirement Cover?**

This statutory requirement will only apply to those HUD program participants and applicants who are (1) receiving Medicare, and (2) have enrolled in the Medicare Prescription Drug Discount Card and Transitional Assistance programs. The income exclusion and deductions mandated by the MMA will only be applied to those HUD program participants and applicants who are enrolled in at least one of these Medicare benefit programs and are in compliance with the applicable Medicare program rules and regulations. Generally, family members are eligible for Medicare if they or their spouse worked for at least 10 years in Medicare-covered employment, are 65 years old, and are a citizen or permanent resident of the United States. A person might also qualify for coverage if he or she is a younger person with a disability or with End-Stage Renal disease (permanent kidney failure requiring dialysis or transplant).

### **Rent Calculations Covered By This Statutory Requirement**

#### A. Annual Income

In calculating annual income for a family, any assistance or benefit received from the Medicare prescription discount card or the transitional assistance must be excluded as annual income for the purpose of calculating any rent or assistance.

#### B. Adjusted Income

The Medicare prescription drug discount cards and transitional assistance received by a family must be treated as a standard medical deduction when determining the family's medical expense deduction. In this way, families using the prescription drug discount card or receiving transitional assistance will continue to receive a medical deduction for the full cost of the prescription drugs prior to receiving these benefits. PHAs and Owners and Management Agents must verify the cost of the drugs without the Medicare negotiated price benefit for eligible drugs rather than verifying the out-of-pocket cost of the drugs to the tenant.

The standard medical deduction as described at 24 CFR 5.611(a)(3) continues to be the sum of allowable medical expenses that exceed three percent of annual income. Where all or part of the cost for prescription drugs is covered by the Medicare prescription drug discount or transitional assistance, neither the drug discount nor the transitional assistance should be considered a reimbursement for the purpose of calculating the medical expense deduction.

The prescription drug discount card program may have an enrollment fee as high as \$30. Any person who receives transitional assistance will have the enrollment fee paid by Medicare. However, any person for whom Medicare does not pay the enrollment fee may claim such fees as a medical deduction. Who Is Eligible For The

Discount Drug Cards And Transitional Assistance? Family members are eligible for a discount drug card if they are enrolled under Medicare Part A or B, as long as they are not receiving outpatient drug benefits through Medicaid, including waivers under Section 1115 of the Social Security Act. Medicare will provide a \$600 credit subsidy for the purchase of drugs in 2004 and up to an additional \$600 credit subsidy in 2005 if (1) a person is eligible for a Medicare drug discount card and (2) if their income is not more than 135 percent of the poverty line (\$12,569 for single individuals or \$16,862 for married individuals in 2004). To qualify, persons must not receive outpatient drug coverage from other sources, including Medicaid, TRICARE, group health insurance, or Federal Employee Health Benefit Plans (FEHBP) – except if the drug coverage is through a Part C Medicare+ Choice plan or a Medigap plan.

### ***C. Implementation***

The Medicare Prescription Drug Discount Card and Transitional Assistance programs began June 1, 2004. As of June 1, 2004, to limit the number of retroactive adjustments when calculating rent or assistance, PHAs and Owners and Management Agents must: - Exclude from annual income the \$600 transitional assistance subsidy, for applicants and tenants enrolled in the Medicare transitional assistance program, effective the date of receiving the benefits. Exclude from annual income any negotiated drug discount pursuant to the Medicare prescription drug discount card. In cases where medical expenses are normally deducted from a HUD participant's income, include as a medical deduction the Medicare assistance provided for the cost of drugs pursuant to prescription drug discount cards, negotiated drug price, or transitional assistance subsidies. Attached is an example of how PHAs and Owners and Management Agents are to implement this new income exclusion and deduction.

### ***D. Verification***

Verification of eligibility PHA's and Owners and Management Agents must verify that the tenant has a Medicare approved drug discount card. This will determine whether or not the amount of the drug discount and the \$600 transitional assistance credit are disregarded as income and in the calculation of the medical deduction. All discount cards approved by Medicare will have a seal with the words "Medicare Approved". The Medicare Approved seal can be viewed at [www.medicare.gov](http://www.medicare.gov) at publication 11060. Only discounts received under a Medicare-approved discount drug card are included as a medical expense. Discounts received through other drug discount cards are not eligible to be disregarded.

### ***E. Verification of amount of benefit***

PHA's and Owners and Management Agents must verify the amount the individual would have had to pay for each prescription in absence of the negotiated discount provided by the Medicare-approved drug discount card or any payments made by the \$600 transitional assistance credit. Verification must also include a determination that the

prescription drug is eligible for the discount since not all drugs are eligible. PHAs and Owners and Management Agents must use third party verification when possible or document in the file why such third party verification was not available. To insure that the best estimate is obtained, any of the methods below will be considered as having satisfied HUD's regulatory requirements:

- Information on the receipt the individual receives when paying for a prescription if the pre-discount cost of the drug is included.
- If information for the pre-discount price of the prescription cannot be determined with current information, use receipts showing the amount paid for the prescription prior to the individual enrolling for the Medicare approved drug discount card.
- If the beneficiary cannot obtain a receipt with the pre-discount cost of the drug, the PHA or Owner and Management Agent may call the pharmacy to obtain the pre-discount cost. The information provided on the Medicare website at [www.medicare.gov](http://www.medicare.gov) may also be used to determine the pre-discount cost of the prescription.
- When the pre-discount price of a prescription cannot be determined, use an imputed value of \$48.17 per prescription as a substitute for the actual pre-discount price. The imputed value of \$48.17 represents the national average cost per prescription for the cash-paying customer in 2003 based on Centers for Medicare and Medicaid Services' Office of the Actuary analysis of data from IMS Health, National Prescription Audit for 2003. However, in all instances, if a beneficiary can provide satisfactory evidence that he or she paid more than the imputed amount for the prescription, the higher amount is used. An example of the use of the imputed amount is as follows: an individual presents documentation that he/she purchases an eligible drug monthly but the pre-discount cost of the drug cannot be obtained. The individual would receive credit for a medical expense of \$48.17 X12 or \$578.04 annually. The imputed amount of \$48.17 is used for each eligible prescription that cannot be verified through one of the other methods.

#### F. Other guidance on verification

Additional guidance on verification of expenses is available as follows:

- For Owners and Management Agents: HUD Handbook 4350.3 REV-1.
- For PHAs: Notice PIH 2004-1, dated March 9, 2004, Subject Verification.
- For PHAs: Public Housing Occupancy Guide Book, June 2003, Appendix VIII PHA's should note that the guidance contained in this Notice supplements the verification guidance in Notice PIH 2004-01 issued March 9, 2004. Further questions should be directed to the local HUD Field Office in your jurisdiction.

### **12.3 VERIFICATION OF CITIZENSHIP OR ELIGIBLE NONCITIZEN STATUS**

The citizenship/eligible non-citizen status of each family member regardless of age must be determined.

Prior to being admitted, or at the first reexamination, all citizens and nationals will be required to sign a declaration under penalty of perjury. They will be required to show proof of their status by such means as a birth certificate, military ID, or military DD 214 Form.

Prior to being admitted or at the first reexamination, all eligible non-citizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible non-citizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The PCHCD will make a copy of the individual's INS documentation and place the copy in the file. The PCHCD will also verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the PCHCD will mail information to the INS in order that a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals, or eligible non-citizens must be listed on a statement of non-eligible members and the list must be signed by the head of the household.

Non-citizen students on student visas, though in the country legally, are not eligible to be admitted to public housing. If they are members of families that include citizens, the rent must be pro-rated.

Any family member who does not choose to declare their status must be listed on the statement of non-eligible members.

If no family member is determined to be eligible under this section, the family's eligibility will be denied.

The family's assistance will not be denied, delayed, reduced, or terminated because of a delay in the process of determining eligible status under this section, except to the extent that the delay is caused by the family.

If the PCHCD determines that a family member has knowingly permitted an ineligible non-citizen (other than any ineligible non-citizens listed on the lease) to permanently reside in their public housing unit, the family will be evicted. Such family will not be eligible to be readmitted to public housing for a period of 24 months from the date of eviction or termination.

#### ***12.4 VERIFICATION OF SOCIAL SECURITY NUMBERS***

Prior to admission, each family member must provide verification of their Social Security number. New family members must provide this verification prior to being added to the lease.

The best verification of the Social Security number is the original Social Security card. If the card is not available, the PCHCD will accept letters from the Social Security Agency that establishes and states the number. Documentation from other governmental agencies will also be accepted that establishes and states the number. Driver's licenses, military IDs, passports, or other official documents that establish and state the number are also acceptable.

The PCHCD will require any individual who does not have a Social Security number to obtain a Social Security number.

If a member of an applicant family indicates they have a Social Security number, but cannot readily verify it, the family cannot be housed until verification is provided.

#### ***12.5 TIMING OF VERIFICATION***

Verification information must be dated within ninety (90) calendar days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Authority will verify and update only those elements reported to have changed.

#### ***12.6 FREQUENCY OF OBTAINING VERIFICATION***

Household composition will be verified annually. The frequency that household income will be verified depends on the type of rent method chosen by the family.

For each family member, citizenship/eligible non-citizen status will be verified only once unless the family member is an eligible immigrant in a transitional stage of admission. In this situation, their status must be updated until they are admitted for permanent residency. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their citizenship/eligible non-citizen status will be verified.

For each family member age 6 and above, verification of Social Security number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security number at admission receives a Social Security number, that number will be verified at the next regular reexamination. Likewise, when a child turns six, their verification will be obtained at the next regular reexamination.

## **13.0 DETERMINATION OF TOTAL TENANT PAYMENT AND TENANT RENT**

### **13.1 FAMILY CHOICE**

At admission and each year in preparation for their annual reexamination, each family is given the choice of having their rent determined under the income method or having their rent set at the flat rent amount.

- A. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they would otherwise undergo. Their family composition must still be reviewed annually.
- B. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:
  - 1. The family's income has decreased.
  - 2. The family's circumstances have changed increasing their expenses for childcare, medical care, etc.
  - 3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.
- C. Families have only one choice per year except for financial hardship cases. In order for families to make informed choices about their rent options, the PCHCD will provide them with the following information whenever they have to make rent decisions:
  - 1. The PCHCD's policies on switching types of rent in case of a financial hardship; and
  - 2. The dollar amount of tenant rent for the family under each option. If the family chose a flat rent for the previous year, the PCHCD will provide the amount of income-based rent for the subsequent year only for the year the

PCHCD conducts an income reexamination or if the family specifically requests it and submits updated income information.

### **13.2 THE INCOME METHOD**

The total tenant payment is equal to the highest of:

- A. 10% of the family's gross monthly income;
- B. 30% of the family's adjusted monthly income; or
- C. If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of those payments which is so designated. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this provision is the amount resulting from one application of the percentage; or
- D. The minimum rent of Fifty Dollars (\$50).

### **13.3 MINIMUM RENT**

The PCHCD has set the minimum rent at Fifty Dollars (\$50). If the family requests a hardship exemption, however, the PCHCD will suspend the minimum rent beginning the month following the family's request until the Housing Authority can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

- A. A hardship exists in the following circumstances:
  - 1. When the family has lost eligibility for or is waiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is a non-citizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;
  - 2. When the family would be evicted because it is unable to pay the minimum rent;
  - 3. When the income of the family has decreased because of changed circumstances, including loss of employment; and
  - 4. When a death has occurred in the family.

- B. No hardship. If the Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.
- C. Long-term hardship. If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
- D. Appeals. The family may use the grievance procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the grievance procedure.

#### **13.4 THE FLAT RENT**

The PCHCD has set a flat rent for each public housing unit. In doing so, it considered the size and type of the unit, as well as its age, condition, amenities, services, and neighborhood. The PCHCD determined the market value of the unit and set the rent at the market value. The amount of the flat rent will be reevaluated annually and adjustments applied. Affected families will be given a 30-day notice of any rent change. Adjustments are applied at the end of the annual lease (for more information on flat rents, see Section 15.3).

The PCHCD will post the flat rents at each of the developments and at the central office. Flat rents are incorporated in this policy upon approval by the Board of Supervisors.

There is no utility allowance for families paying a flat rent because the PCHCD has already factored who pays for the utilities into the flat rent calculation.

#### **13.5 RENT FOR FAMILIES UNDER THE NONCITIZEN RULE**

A mixed family will receive full continuation of assistance if all of the following conditions are met:

- A. The family was receiving assistance on June 19, 1995;
- B. The family was granted continuation of assistance before November 29, 1996;
- C. The family's head or spouse has eligible immigration status; and
- D. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

The family's assistance is prorated in the following manner:

- A. Determine the 95<sup>th</sup> percentile of gross rents (tenant rent plus utility allowance) for the PCHCD. The 95<sup>th</sup> percentile is called the maximum rent.
- B. Subtract the family's total tenant payment from the maximum rent. The resulting number is called the maximum subsidy.
- C. Divide the maximum subsidy by the number of family members and multiply the result times the number of eligible family members. This yields the prorated subsidy.
- D. Subtract the prorated subsidy from the maximum rent to find the prorated total tenant payment. From this amount subtract the full utility allowance to obtain the prorated tenant rent.

### **13.6 UTILITY ALLOWANCE**

The PCHCD shall establish a utility allowance for all check-metered utilities and for all tenant-paid utilities. The allowance will be based on a reasonable consumption of utilities by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful environment. In setting the allowance, the PCHCD will review the actual consumption of tenant families as well as changes made or anticipated due to modernization (weatherization efforts, installation of energy-efficient appliances, etc). Allowances will be evaluated at least annually as well as any time utility rate changes by 10% or more since the last revision to the allowances.

The utility allowance will be subtracted from the family's income-based rent to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the PCHCD. **WARNING: This check cannot be used for any other purpose but for the utility company indicated above. Payment by phone transactions with utility reimbursement checks are not allowed. Any abuse of this check will be grounds for eviction/termination of your lease.** The tenant will sign a document stating that the check for the utility allowance will be made out to the utility company and the tenant. This can only be modified at recertification. Any utility cost above the allowance is the responsibility of the tenant.

For PCHCD paid utilities, the PCHCD will monitor the utility consumption of each household. Any consumption in excess of the allowance established by the PCHCD will be billed to the tenant monthly.

Utility allowance revisions based on rate changes shall be effective retroactively to the first day of the month following the month in which the last rate change took place. Revisions based on changes in consumption or other reasons shall become effective at each family's next annual reexamination.

Families with high utility costs are encouraged to contact the PCHCD for an energy analysis. The analysis may identify problems with the dwelling unit that once corrected will reduce energy costs. The analysis can also assist the family in identifying ways they can reduce their costs.

Requests for relief from surcharges for excess consumption of PCHCD purchased utilities or from payment of utility supplier billings in excess of the utility allowance for tenant-paid utility costs may be granted by the PCHCD on reasonable grounds. Requests shall be granted to families that include an elderly member or a member with disabilities. Requests by the family shall be submitted under the Reasonable Accommodation Policy. Families shall be advised of their right to individual relief at admission to public housing and at time of utility allowance changes.

### ***13.7 PAYING RENT***

Rent and other charges are due and payable on the first day of the month. All rents should be paid at **970 North Eleven Mile Corner Road, Casa Grande, AZ 85294**. Reasonable accommodations for this requirement will be made for persons with disabilities. As a safety measure, no cash shall be accepted as a rent payment.

If the rent is not paid by the **6th** of the month, a Notice to Vacate will be issued to the tenant. In addition, a **\$15 (Fifteen)** late charge will be assessed to the tenant. If rent is paid by a personal check and the check is returned for insufficient funds, this shall be considered a non-payment of rent and will incur the late charge plus an additional charge of **\$35 (Thirty-five)** for bank charges and/or processing costs. Any tenant that pays rent with an Insufficient Funds check will be required from that date on to pay rent by money order or cashier's check.

## **14.0 COMMUNITY SERVICE**

### ***14.1 GENERAL***

In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service (not including political activities), or (2) participate in an economic self-sufficiency program, or (3) perform eight hours per month of combined activities as previously described unless they are exempt from this requirement.

### ***14.2 EXEMPTIONS***

The following adult family members of tenant families are exempt from this requirement:

- A. Family members who are 62 or older.
- B. Family members who are blind or disabled as defined under 216(I)(1) or 1614 of the Social Security Act (42 U.S.C. 416(I)(1) and who certifies that because of this disability she or he is unable to comply with the community service requirements.
- C. Family members who are the primary care giver for someone who is blind or disabled as set forth in Paragraph B above.
- D. Family members engaged in work activity as defined in section 407(d) of the Social Security Act, specified below.
  - 1. Unsubsidized employment;
  - 2. Subsidized private-sector employment;
  - 3. Subsidized public-sector employment;
  - 4. Work experience (including work associated with the refurbishing of publicly assisted housing) if sufficient private sector employment is not available;
  - 5. On-the-job-training;
  - 6. Job-search and job-readiness assistance;
  - 7. Community service programs;
  - 8. Vocational educational training (not to exceed 12 months with respect to any individual);
  - 9. Job-skills training directly related to employment;
  - 10. Education directly related to employment in the case of a recipient who has not received a high school diploma or a certificate of high school equivalency;
  - 11. Satisfactory attendance at secondary school or in a course of study leading to a certificate of general equivalence, in the case of a recipient who has not completed secondary school or received such a certificate; and
  - 12. The provision of childcare services to an individual who is participating in a community service program.

- E. Family members who are or would be exempt from work activity under part A title IV of the Social Security Act or under any other State welfare program, including the welfare-to-work program.
- F. Family members receiving assistance, benefits or services under a State program funded under part A title IV of the Social Security Act or under any other State welfare program, including welfare-to-work and who are in compliance with that program.

### ***14.3 NOTIFICATION OF THE REQUIREMENT***

The PCHCD shall identify all adult family members who are apparently not exempt from the community service requirement.

The PCHCD shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The PCHCD shall verify such claims.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after July 1, 2005. For families paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

### ***14.4 VOLUNTEER OPPORTUNITIES***

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self-sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The PCHCD will coordinate with social service agencies, local schools, and the Human Resources Office in identifying a list of volunteer community service positions.

Together with the resident advisory councils, the PCHCD may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers.

#### **14.5 THE PROCESS**

Upon admission or at the first annual reexamination on or after July 1, 2005, and each annual reexamination thereafter, the PCHCD will do the following:

- A. Provide a list of volunteer opportunities to the family members.
- B. Provide information about obtaining suitable volunteer positions.
- C. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.
- D. Assign family members to a volunteer coordinator who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The volunteer coordinator will track the family member's progress monthly and will meet with the family member as needed to best encourage compliance.
- E. At least thirty (30) calendar days before the family's next lease anniversary date, the volunteer coordinator will advise the PCHCD whether each applicable adult family member is in compliance with the community service requirement.

#### **14.6 NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT**

The PCHCD will notify any family found to be in noncompliance of the following:

- A. The family member(s) has been determined to be in noncompliance;
- B. That the determination is subject to the grievance procedure; and
- C. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated;

#### **14.7 OPPORTUNITY FOR CURE**

The PCHCD will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. It will state the number of hours that the family member is deficient. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns go toward the current commitment

until the current year's commitment is made.

The volunteer coordinator will assist the family member in identifying volunteer opportunities and will track compliance on a monthly basis.

If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service, the PCHCD shall take action to terminate the lease unless the noncompliant family member no longer lives in the unit.

#### **14.8 PROHIBITION AGAINST REPLACEMENT OF AGENCY EMPLOYEES**

In implementing the service requirement, the PCHCD may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by its employees or replace a job at any location where residents perform activities to satisfy the service requirement.

### **15.0 RECERTIFICATIONS**

At least annually, the PCHCD will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family is housed in the correct unit size. (For residents of our Section 202 Program living in Santa Cruz Village they will receive a notice 120 days prior to the re-certification anniversary date.)

#### **15.1 GENERAL**

The PCHCD will send a notification letter to the family letting them know that it is time for their annual reexamination, giving them the option of selecting either the flat rent or income method, and scheduling an appointment if they are currently paying an income rent. If the family thinks they may want to switch from a flat rent to an income rent, they should request an appointment. At the appointment, the family can make their final decision regarding which rent method they will choose. The letter also includes, for those families paying the income method, forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

During the appointment, the PCHCD will determine whether family composition may require a transfer to a different bedroom size unit, and if so, the family's name will be placed on the transfer list.

## **15.2 MISSED APPOINTMENTS**

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the PCHCD taking eviction actions against the family. The eviction notice will inform the family of its rights to request an informal hearing.

## **15.3 FLAT RENTS**

The annual letter to flat rent payers regarding the reexamination process will state the following:

- A. Each year at the time of the annual reexamination, the family has the option of selecting a flat rent amount in lieu of completing the reexamination process and having their rent based on the income amount.
- B. The amount of the flat rent.
- C. A fact sheet about income rents that explains the types of income counted, the most common types of income excluded, and the categories of allowances that can be deducted from income.
- D. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they otherwise would undergo.
- E. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:
  - 1. The family's income has decreased.
  - 2. The family's circumstances have changed increasing their expenses for childcare, medical care, etc.
  - 3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.

Once a family returns to the income based method during their “lease year” they cannot go back to a flat rent until their next regular annual reexamination.

- F. The dates upon which the PCHCD expects to review the amount of the flat rent, the approximate rent increase the family could expect, and the approximate date upon which a future rent increase could become effective.

G. The name and phone number of an individual to call to get additional information or counseling concerning flat rents.

H. A certification for the family to sign accepting or declining the flat rent.

Each year prior to their anniversary date, PCHCD will send a reexamination letter to the family offering the choice between a flat rent or an income rent. The opportunity to select the flat rent is available only at this time. At the appointment, the PCHCD may assist the family in identifying the rent method that would be most advantageous for the family. If the family wishes to select the flat rent method without meeting with the PCHCD representative, they may make the selection on the form and return the form to the PCHCD. In such case, the PCHCD will cancel the appointment and solely verify the family size and whether it is in an appropriate size unit.

#### **15.4 THE INCOME METHOD**

During the interview, the family will provide all information regarding income, assets, deductions (eligible expenses), and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the PCHCD will determine the family's annual income and will calculate their rent as follows.

The total tenant payment is equal to the highest of:

- A. 10% of the family's monthly income;
- B. 30% of the family's adjusted monthly income;
- C. The welfare rent; or
- D. The minimum rent.

The family shall be informed of the results of the rent calculation under both the Income Method and the Flat Rent and given their choice of which rent to pay.

#### **15.5 EFFECTIVE DATE OF RENT CHANGES FOR ANNUAL REEXAMINATIONS**

The new rent will generally be effective upon the anniversary date with thirty (30) calendar day's notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

## **15.6 INTERIM REEXAMINATIONS**

During an interim reexamination, only the information affected by the changes being reported will be reviewed and verified.

Families are required to report the following changes to the PCHCD between regular reexaminations. If the family's rent is being determined under the income method, these changes will trigger an interim reexamination. The family shall report these changes within ten (10) calendar days of their occurrence.

- A. A member has been added to the family through birth or adoption or court-awarded custody.
- B. A household member is leaving or has left the family unit. If household member is a spouse, a copy of the final divorce decree or legal separation is required prior to deleting spouse from lease. Interim will be done for a deleted spouse after divorce is final or legal separation is granted.
- C. Decrease of household income will be handled immediately the following month.
- D. If the increase in income is the same source, the PCHCD will defer an increase to the next regular annual re-examination. All families are still required to report all changes to the PCHCD in writing within ten (10) days. Failure to do so will result in an increase in rent the following month and may result in repayment of over paid assistance. (ie; Social Security, COLA, hourly wage increase at same employment, etc.).

In order to add a household member other than through birth, adoption, or court-awarded custody, the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number if they have one and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for

applicants. The PCHCD will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and pass the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the income method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with Section 15.8.

Because of the number of possible different circumstances in which a determination will have to be made, the PCHCD will make determinations on a case by case basis.

A resident requesting a live-in-aide will be required to provide verification of the need for a live-in-aide. The individual cannot be a family member. In addition, before approval of the live-in-aide, the individual (live-in-aide) must complete an application form for purposes of determining citizenship/eligible immigrant status and the live-in-aide will go through the screening process similar to the process for applicants. The PCHCD will determine the eligibility of the live-in-aide before approval can be granted. Under no circumstances will the live-in-aide be added to the lease or be considered the last remaining member of a tenant family. If a live-in aide is requested or required, who is not a relative, that person must be available to meet your needs 24 hours a day, 7 days a week.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the PCHCD will take timely action to process the interim reexamination and recalculate the tenant's rent.

### ***15.7 SPECIAL REEXAMINATIONS***

If a family's income is too unstable to project for twelve (12) months, including families that temporarily have no income (0 renters) or have a temporary decrease in income, the PCH may schedule special reexaminations every 3 months (90) calendar days until the income stabilizes and an annual income can be determined. If income is unstable or at the discretion of the eligibility worker the family may be required to submit copies of W-2's for the previous two years.

### ***15.8 EFFECTIVE DATE OF RENT CHANGES DUE TO INTERIM OR SPECIAL REEXAMINATIONS***

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the

family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

### ***15.9 HOUSING AUTHORITY MISTAKES IN CALCULATING RENT***

If the PCHCD makes a mistake in calculating a resident's rent contribution and overcharges the resident, the resident shall receive a refund for the amount of the mistake going back to a maximum of 24 months. The refund shall be given to the resident as soon as practical or credited to the resident's account, whichever the resident desires unless the resident owes the PCHCD money in which case the debt shall be offset to the degree possible before the resident chooses between the two refund methods.

## **16.0 UNIT TRANSFERS**

### ***16.1 OBJECTIVES OF THE TRANSFER POLICY***

The objectives of the Transfer Policy include the following:

- A. To address emergency situations.
- B. To fully utilize available housing resources while avoiding overcrowding by ensuring that each family occupies the appropriate size unit.
- C. To facilitate a relocation when required for modernization or other management purposes.
- D. To facilitate relocation of families with inadequate housing accommodations.
- E. To provide an incentive for families to assist in meeting the PCHCD's deconcentration goal, if appropriate.
- F. To eliminate vacancy loss and other expenses due to unnecessary transfers.

### ***16.2 CATEGORIES OF TRANSFERS***

Category A: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.

Category B: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization, revitalization, disposition or demolition work to proceed. When an accessible unit becomes available, it shall first be offered to families needing it who reside on the site that has the vacancy, then to other public housing residents needing the special accessibility features, and finally to appropriate people on the waiting list.

Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain PCHCD occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the PCHCD when a transfer is the only or best way of solving a serious problem.

### **16.3 DOCUMENTATION**

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

### **16.4 PROCESSING TRANSFERS**

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category A and B will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category A will be housed ahead of transfers in category B.

Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) business days of being informed the unit is ready to rent. The family will be allowed seven (5) calendar days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.

The following is the policy for the rejection of an offer to transfer:

- A. If the family rejects with good cause any unit offered, they will not lose their

place on the transfer waiting list.

- B. If the transfer is being made at the request of the PCHCD and the family rejects an offer without good cause, the PCHCD will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small or too large to meet the PCHCD's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.
- C. If the transfer is being made at the family's request and the rejected offer provides deconcentration incentives, the family will maintain their place on the transfer list and will not otherwise be penalized.
- D. If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer that does not include deconcentration incentives. After turning down a second such offer without good cause, the family's name will be removed from the transfer list.

#### **16.5 COST OF THE FAMILY'S MOVE**

The cost of the transfer generally will be borne by the family in the following circumstances:

- A. When the transfer is made at the request of the family or by others on behalf of the family (i.e., by the police);
- B. When the transfer is needed to move the family to an appropriately sized unit, either larger or smaller;
- C. When the transfer is necessitated because a family with disabilities needs the accessible unit into which the transferring family moved (The family without disabilities signed a statement to this effect prior to accepting the accessible unit);  
or
- D. When the transfer is needed because action or inaction by the family caused the unit to be unsafe or uninhabitable.

The cost of the transfer will be borne by the PCHCD in the following circumstances:

- A. When the transfer is needed in order to carry out modernization, disposition or demolition activities; or
- B. When action or inaction by the PCHCD has caused the unit to be unsafe or inhabitable.

The responsibility for moving costs in other circumstances will be determined on a case by case basis.

#### **16.6 TENANTS IN GOOD STANDING**

When the transfer is at the request of the family, it will not be approved unless the family is in good standing with the PCHCD. This means the family must be in compliance with their lease, current in all payments to the Housing Authority, and must pass a housekeeping inspection.

#### **16.7 TRANSFER REQUESTS**

A tenant may request a transfer at any time by completing a transfer request form. In considering the request, the PCHCD may request a meeting with the tenant to better understand the need for transfer and to explore possible alternatives. The PCHCD will review the request in a timely manner and if a meeting is desired, it shall contact the tenant within ten (10) business days of receipt of the request to schedule a meeting.

The PCHCD will grant or deny the transfer request in writing within ten (10) business days of receiving the request or holding the meeting, whichever is later.

If the transfer is approved, the family's name will be added to the transfer waiting list.

If the transfer is denied, the denial letter will advise the family of their right to utilize the grievance procedure.

#### **16.9 RIGHT OF THE PCHCD IN TRANSFER POLICY**

The provisions listed above are to be used as a guide to ensure fair and impartial means of assigning units for transfers. It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.

### **17.0 INSPECTIONS**

An authorized representative of the PCHCD and an adult family member will inspect the premises prior to commencement of occupancy. A written statement of the condition of the premises will be made, all equipment will be provided, and the statement will be signed by both parties with a copy retained in the PCHCD file and a copy given to the family member. An authorized PCHCD representative will inspect the premises at the time the resident vacates and will furnish a statement of any charges to be made provided the resident turns in the proper notice under State law. The resident's security deposit can be used to offset against any PCHCD damages to the unit.

### ***17.1 MOVE-IN INSPECTIONS***

The PCHCD and an adult member of the family will inspect the unit prior to signing the lease. Both parties will sign a written statement of the condition of the unit. A copy of the signed inspection will be given to the family and the original will be placed in the tenant file.

### ***17.2 ANNUAL INSPECTIONS***

The PCHCD will inspect each public housing unit annually to ensure that each unit meets the PCHCD's housing standards. Work orders will be submitted and completed to correct any deficiencies.

### ***17.3 PREVENTATIVE MAINTENANCE INSPECTIONS***

This is generally conducted along with the annual inspection. This inspection is intended to keep items in good repair. It checks weatherization; checks the condition of the smoke detectors, water heaters, furnaces, automatic thermostats and water temperatures; checks for leaks; and provides an opportunity to change furnace filters and provide other minor servicing that extends the life of the unit and its equipment.

### ***17.4 SPECIAL INSPECTIONS***

A special inspection may be scheduled to enable HUD or others to inspect a sample of the housing stock maintained by the PCHCD.

### ***17.5 HOUSEKEEPING INSPECTIONS***

Generally, at the time of annual reexamination, or at other times as necessary, the PCHCD will conduct a housekeeping inspection to ensure the family is maintaining the unit in a safe and sanitary condition. If a tenant has failed one housekeeping inspection the second inspection will be conducted without prior notice.

### ***17.6 NOTICE OF INSPECTION***

For inspections defined as annual inspections, preventative maintenance inspections, special inspections, and housekeeping inspections, the PCHCD will give the tenant at least two (2) calendar days written notice.

### ***17.7 EMERGENCY INSPECTIONS***

If any employee and/or agent of the PCHCD has reason to believe that an emergency exists within the housing unit, the unit can be entered without notice. The person(s) that enters the unit will leave a written notice to the resident that indicates the date and time the unit was entered and the reason why it was necessary to enter the unit.

## **17.8 PRE-MOVE-OUT INSPECTIONS**

When a tenant gives notice that they intend to move, the PCHCD will offer to schedule a pre-move-out inspection with the family. The inspection allows the PCHCD to help the family identify any problems which, if left uncorrected, could lead to vacate charges. This inspection is a courtesy to the family and has been found to be helpful both in reducing costs to the family and in enabling the PCHCD to ready units more quickly for the future occupants.

## **17.9 MOVE-OUT INSPECTIONS**

The PCHCD conducts the move-out inspection after the tenant vacates to assess the condition of the unit and determine responsibility for any needed repairs. When possible, the tenant is notified of the inspection and is encouraged to be present. This inspection becomes the basis for any claims that may be assessed against the security deposit.

## **18.0 PET POLICY**

### **18.1 EXCLUSIONS**

This policy does not apply to animals that are used to assist persons with disabilities. Assistive animals are allowed in all public housing facilities with no restrictions other than those imposed on all tenants to maintain their units and associated facilities in a decent, safe, and sanitary manner and to refrain from disturbing their neighbors.

### **18.2 PETS IN PUBLIC HOUSING**

The PCHCD allows for pet ownership in its developments with the written pre-approval of the Housing Authority. Residents are responsible for any damage caused by their pets, including the cost of fumigating or cleaning their units. In exchange for this right, resident assumes full responsibility and liability for the pet and agrees to hold the PCHCD harmless from any claims caused by an action or inaction of the pet.

### **18.3 APPROVAL**

Residents must have the prior written approval of the Housing Authority before moving a pet into their unit. Residents must request approval on the Authorization for Pet Ownership Form that must be fully completed before the Housing Authority will approve the request. Residents must give the Housing Authority a picture of the pet so it can be identified if it is running loose.

### **18.4 TYPES AND NUMBER OF PETS**

The PCHCD will allow only common household pets. This means only domesticated animals such as a dog, cat, bird, fish in aquariums or a turtle will be allowed in units. Common household pets do not include reptiles (except turtles). If this definition conflicts with a state or local law or regulation, the state or local law or regulation shall govern.

All dogs and cats must be spayed or neutered before they become six months old. A licensed veterinarian must verify this fact.

Only one pet per unit will be allowed, except that a fish or turtle in an aquarium will be allowed with a dog or cat. No Pit Bulls, Doberman, Rottwieler, Chows or Sharpei

Any animal deemed to be potentially harmful to the health or safety of others, including attack or fight trained dogs, will not be allowed.

No animal may exceed thirty five (35) pounds in weight projected to full adult size.

### ***18.5 INOCULATIONS***

In order to be registered, pets must be appropriately inoculated against rabies, distemper and other conditions prescribed by state and/or local ordinances. They must comply with all other state and local public health, animal control, and anti-cruelty laws including any licensing requirements. A certification signed by a licensed veterinarian or state or local official shall be annually filed with the PCHCD to attest to the inoculations.

### ***18.6 PET DEPOSIT***

A nonrefundable pet deposit of **\$100 (one hundred)** is required at the time of registering a pet. A separate deposit is required for each pet.

### ***18.7 FINANCIAL OBLIGATION OF RESIDENTS***

Any resident who owns or keeps a pet in their dwelling unit will be required to pay for any damages caused by the pet. Also, any pet-related insect infestation in the pet owner's unit will be the financial responsibility of the pet owner and the PCHCD reserves the right to exterminate and charge the resident.

### ***18.8 NUISANCE OR THREAT TO HEALTH OR SAFETY***

The pet and its living quarters must be maintained in a manner to prevent odors and any other unsanitary conditions in the owner's unit and surrounding areas.

Repeated substantiated complaints by neighbors or PCHCD personnel regarding pets disturbing the peace of neighbors through noise, odor, animal waste, or other nuisance may result in the owner having to remove the pet or move him/herself.

Pets that make noise continuously and/or incessantly for a period of 10 minutes or intermittently for one half hour or more to the disturbance of any person at any time of day or night shall be considered a nuisance.

### ***18.9 DESIGNATION OF PET AREAS***

Pets must be kept in the owner's apartment **or on a leash at all times when outside** the unit (no outdoor cages may be constructed). Pets will be allowed only in designated areas on the grounds of the property if the PCHCD designates a pet area for the particular site. Pet owners must clean up after their pets and are responsible for disposing of pet waste.

With the exception of assistive animals no pets shall be allowed in the community room, community room kitchen, laundry rooms, public bathrooms, lobby, beauty shop, hallways or office in any of our sites.

To accommodate residents who have medically certified allergic or phobic reactions to dogs, cats, or other pets, those pets may be barred from certain wings (or floors) in our development(s)/building(s). This shall be implemented based on demand for this service.

### ***18.10 MISCELLANEOUS RULES***

Pets may not be left unattended in a dwelling unit for over 12 hours. If the pet is left unattended and no arrangements have been made for its care, the HA will have the right to enter the premises and take the uncared for pet to be boarded at a local animal care facility at the total expense of the resident.

Pet bedding shall not be washed in any common laundry facilities.

Residents must take appropriate actions to protect their pets from fleas and ticks.

All dogs must wear a tag bearing the resident's name and phone number and the date of the latest rabies inoculation.

Pets cannot be kept, bred or used for any commercial purpose.

Residents owning cats shall maintain waterproof litter boxes for cat waste. Refuse from litter boxes shall not accumulate or become unsightly or unsanitary. Litter shall be disposed of in an appropriate manner.

A pet owner shall physically control or confine his/her pet during the times when Housing Authority employees, agents of the Housing Authority or others must enter the pet owner's apartment to conduct business, provide services, enforce lease terms, etc.

If a pet cause's harm to any person, the pet's owner shall be required to permanently remove the pet from the Housing Authority's property within 24 hours of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.

A pet owner who violates any other conditions of this policy may be required to remove his/her pet from the development within 10 calendar days of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.

The Housing Authority's grievance procedures shall be applicable to all individual grievances or disputes arising out of violations or alleged violations of this policy.

### ***18.11 VISITING PETS***

Pets that meet the size and type criteria outlined above may visit the projects/buildings where pets are allowed for up to two weeks with PCHCD approval. Tenants who have visiting pets must abide by the conditions of this policy regarding health, sanitation, nuisances, and peaceful enjoyment of others. If visiting pets violate this policy or cause the tenant to violate the lease, the tenant will be required to remove the visiting pet.

### ***18.12 REMOVAL OF PETS***

The PCHCD, or an appropriate community authority, shall require the removal of any pet from a project if the pet's conduct or condition is determined to be a nuisance or threat to the health or safety of other occupants of the project or of other persons in the community where the project is located.

In the event of illness or death of pet owner, or in the case of an emergency which would prevent the pet owner from properly caring for the pet, the PCHCD has permission to call the emergency caregiver designated by the resident or the local Pet Law Enforcement Agency to take the pet and care for it until family or friends would claim the pet and assume responsibility for it. Any expenses incurred will be the responsibility of the pet owner.

## **19.0 REPAYMENT AGREEMENTS**

When a resident owes the PCHCD back charges and is unable to pay the balance by the due date, the resident may request that the PCHCD allow them to enter into a Repayment Agreement. The PCHCD has the sole discretion of whether to accept such an agreement. All Repayment Agreements must assure that the full payment is made within a period not to exceed twelve (12) months. All Repayment Agreements must be in writing and signed by both parties. Failure to comply with the Repayment Agreement terms may subject the resident to eviction procedures.

**Note: If the housing authority has a minimum rent greater than \$0, they must allow for repayment agreements for those tenants whose rental amount is the minimum rent and who have had their rent abated for a temporary period.**

## **20.0 TERMINATION**

### **20.1 TERMINATION BY TENANT**

The tenant may terminate the lease at any time upon submitting a 30-day written notice. If the tenant vacates prior to the end of the thirty (30) calendar days, they will be responsible for rent through the end of the notice period or until the unit is re-rented, whichever occurs first.

### **20.2 TERMINATION BY THE HOUSING AUTHORITY**

Twelve months after the PCHCD has implemented the mandated Community Service Requirement, it will not renew the lease of any non-exempt family that is not in compliance with the Community Service Requirement or approved Agreement to Cure. If they do not voluntarily leave the property, eviction proceedings will begin.

The PCHCD will terminate the lease for serious or repeated violations of material lease terms. Such violations include, but are not limited to, the following:

- A. Nonpayment of rent or other charges;
- B. A history of late rental payments (three late payments);
- C. Failure to provide timely and accurate information regarding family composition, income circumstances, or other information related to eligibility or rent;
- D. Failure to allow inspection of the unit;
- E. Failure to maintain the unit in a safe and sanitary manner;
- F. Assignment or subletting of the premises;
- G. Use of the premises for purposes other than as a dwelling unit (other than for housing authority approved resident businesses);
- H. Destruction of property;
- I. Acts of destruction, defacement, or removal of any part of the premises or failure to cause guests to refrain from such acts;

- J. Any violent or drug-related criminal activity on or off the premises, not just on or near the premises. This includes any tenant, member of the tenant's household or guest, and any such activity engaged in on the premises by any other person under the tenant's control. This includes but is not limited to the manufacture of methamphetamine on the premises of the PCHCD or on the premises of any other federally assisted housing;
- K. Non-compliance with Non-Citizen Rule requirements;
- L. Permitting persons not on the lease to reside in the unit more than fourteen (14) calendar days each year without the prior written approval of the Housing Authority;
- M. Any activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents or employees of the Authority by the resident, household members, or guests of the resident or threatens the health, safety, or right to peaceful enjoyment of their residences by persons residing in the immediate vicinity of the premises is grounds for termination of tenancy;
- N. Alcohol abuse that the PCHCD determines interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents;
- O. Failure to perform required community service or be exempted there from;
- P. The PCHCD will take immediate action to evict any household that includes an individual who is subject to a lifetime registration requirement under a State sex offender registration program;
- Q. Determination that a household member is illegally using a drug or when the PCHCD determines that a pattern of illegal use of a drug interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents;
- R. Criminal activity as shown by a criminal record. In such cases the PCHCD will notify the household of the proposed action to be based on the information and will provide the subject of the record and the tenant with a copy of the criminal record before the PCHCD grievance hearing or court trial concerning the termination of tenancy or eviction. The tenant will be given an opportunity to dispute the accuracy and relevance of that record in the grievance hearing or court trial; and
- S. Have a household member who is a fugitive felon, parole violator or person fleeing to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees;

- T. Currently owes rent or other amounts to the PCHCD or to another Housing Authority in connection with Section 8 or public housing assistance under the 1937 Act;
- U. Have breached an agreement with PCHCD to pay amounts owed to a Housing Authority, or amounts paid to an owner by a Housing Authority;
- V. Have engaged in or threatened abusive or violent behavior towards any PCHCD staff member or resident;
- W. Any family absent from the assisted unit for more than 120 consecutive calendar days must be terminated from the program.
- X. Any family meeting above criteria will not be eligible to reapply to the Public Housing Program for 12 months.
- Y. Other good cause.
- Z. Removing any batteries from a smoke detector or failing to notify the landlord if the smoke detector is in operable for any reason

For purposes of this section, the PCHCD may terminate assistance for criminal activity by a household member as authorized in this section if the PCHCD determines, based on a preponderance of the evidence, that the household member has engaged in the activity, regardless of whether the household member has been arrested or convicted of such activity.

If an individual or family's lease is terminated for criminal activity, the PCHCD will notify the local post office serving the development that the individual or family no longer lives there.

In deciding to terminate a tenancy for criminal activity or alcohol abuse, the PCHCD will consider circumstances relevant to the particular case such as the seriousness of the offending action, the extent of participation by the leaseholder in the offending action, the effects that the eviction would have on family members not involved in the offending activity, and the extent to which the leaseholder has shown personal responsibility and has taken all reasonable steps to prevent or mitigate the offending action.

**AND/OR**

In deciding to terminate a tenancy for criminal activity or alcohol abuse, the PCHCD will require a leaseholder to exclude a household member in order to continue to reside in the assisted unit, where that household member has participated in or been culpable for an action or failure to act that warrants the termination.

## **AND/OR**

In deciding to terminate a tenancy for illegal drug use or a pattern of illegal drug use by a household member who is no longer engaging in such use, or for abuse or a pattern of abuse of alcohol by a household member who is no longer engaging in such abuse, the PCHCD may consider whether such household member:

1. Is participating in a supervised drug or alcohol rehabilitation program;
2. Has successfully completed a supervised drug or alcohol rehabilitation program;  
or
3. Has otherwise been successfully rehabilitated.

For this purpose, PCHCD may require the leaseholder to submit evidence of one of the above 3 statements.

### **20.3 TERMINATIONS FOR CRIMINAL ACTIVITY**

- A. The term “due process determination” means a determination by HUD that law covering the PCHCD’s jurisdiction requires that residents must be given the opportunity for a hearing in court which provides the basic elements of due process before eviction from the dwelling unit.
- A. HUD has issued a due process determination that the law of this State requires that residents be given the opportunity for a hearing in a court that provides the basic elements of due process before eviction from a dwelling unit. The PCHCD has therefore determined that this Grievance Procedure shall not be applicable to any termination of tenancy or eviction for:
  1. Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the PCHCD’s public housing premises by other residents or employees of the Housing Authority;
  2. Any violent or drug-related criminal activity on or off such premises; or
  3. Any activity resulting in a felony conviction.

### **20.4 ABANDONMENT**

The PCHCD will consider a unit to be abandoned when a resident has both fallen behind in rent **AND** has clearly indicated by words or actions an intention not to continue living in the unit.

When a unit has been abandoned, a PCHCD representative may enter the unit and remove any abandoned property. It will be stored in a reasonably secure place. A notice will be mailed to the resident stating where the property is being stored and when it will be sold. If the PCHCD does not have a new address for the resident, the notice will be mailed to the unit address so it can be forwarded by the post office.

Any money raised by the sale of the property goes to cover money owed by the family to the PCHCD such as back rent and the cost of storing and selling the goods. If there is any money left over and the family's forwarding address is known the PCHCD will mail it to the family. If the family's address is not known, the PCHCD will keep it for the resident for one year. If it is not claimed within that time, it belongs to the PCHCD.

Within 30 calendar days of learning of abandonment, the PCHCD will either return the deposit or provide a statement of why the deposit is being kept.

## **20.5 RETURN OF SECURITY DEPOSIT**

After a family moves out, the PCHCD will return the security deposit within 30 calendar days and give the family a written statement of why all or part of the security deposit is being kept. The rental unit must be restored to the same conditions as when the family moved in, except for normal wear and tear. Deposits will not be used to cover normal wear and tear or damage that existed when the family moved in.

If State law requires the payment of interest on security deposits, it shall be complied with.

The PCHCD will be considered in compliance with the above if the required payment, statement, or both, are deposited in the U.S. mail with first class postage paid within 30 calendar days.

## **21.0 SUPPORT FOR OUR ARMED FORCES**

A major and important component of our armed forces are the part-time military personnel that serve in various Reserve and National Guard units. The PCHCD is very supportive of these men and women. An unfortunate fact of service in both the Reserves and National Guard is that from time to time their personnel are activated to full-time status and asked to serve our country in a variety of ways and circumstances. Whenever the Federal Government activates Reserve and/or National Guard personnel, the PCHCD wants to support these brave warriors in the following manners:

- A. If a family finds it necessary for another adult to temporarily move into a unit solely to serve as a temporary guardian for children residing in the unit, the income received by the temporary guardian will not be counted in determining family income.

- B. Although typically a criminal background check is required before anyone can move into a public housing unit, this requirement will be waived for a temporary guardian. Instead, the background check will occur after the person moves in. If the results of the check dictate that the person is ineligible for public housing, the family shall be given a reasonable time to find a replacement temporary guardian.
- C. Recognizing that activation in the Reserves or National Guard can be very disruptive to a family's income, the PCHCD will expeditiously re-evaluate a resident's rent if requested to do so and will exercise reasonable restraint if the activated resident has trouble paying their rent.
- D. Typically a unit cannot be held by a family that is not residing in it as their primary residence. If all members of a military family are temporarily absent from the unit because a member of the family has been called to active duty, the family can retain control of the unit by paying the required rent and returning to the unit within 30 calendar days of the conclusion of the active duty service.

## **22.0 ANTI-FRAUD POLICY**

The PCHCD is fully committed to combating fraud in its public housing program. It defines fraud as a single act or pattern of actions that include false statements, the omission of information, or the concealment of a substantive fact made with the intention of deceiving or misleading the PCHCD. It results in the inappropriate expenditure of public housing funds and/or a violation of public housing requirements.

Although there are numerous different types of fraud that may be committed, the two most common are the failure to fully report all sources of income and the failure to accurately report who is residing in the residence. The PCHCD shall aggressively attempt to prevent all cases of fraud.

If an applicant does not disclose a criminal background they cannot reapply for 1 year. If an applicant has committed fraud against PCHCD or any other public housing program, they must wait one year before they can reapply. If a tenant that has previously been evicted they must wait for 3 years to reapply. If the tenant had a forceable filed with the court they must wait for 5 years before reapplying.

When a fraudulent action is discovered, the PCHCD shall take action. It shall do one or more of the following things depending on circumstances and what it determines appropriate:

- A. Require the resident to immediately repay the amount in question;

- B. Require the resident to enter into a satisfactory repayment agreement as set forth in a previous section of this Policy;
- C. Terminate the resident's tenancy;
- D. Refer the case for criminal prosecution; or
- E. Take such other action as the PCHCD deems appropriate.

## 23.0 Violence Against Women Act (VAWA)

The Violence Against Women Act (VAWA) protects tenants and family members of tenants who are victims of domestic violence, dating violence, or stalking from being evicted or terminated from housing assistance based on acts of such violence against them. These provisions apply to our agency administering the Section 8 programs and to owners renting to families under Section 8 rental assistance programs.

The law provides in part that criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenants household or any guest or other person under the tenants control, shall not be cause for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenants family is the victim or threatened victim of that abuse. The law also provides that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be construed as serious or repeated violations of the lease by the victim or threatened victim of that violence and will not be good cause for termination of the assistance, tenancy, or occupancy rights of a victim of such violence.

The PCHA is utilizing the revised form HUD 52641 Housing Assistance Payments (HAP) Contract and revised form HUD 52641A Tenancy Addendum. These forms have been revised to reflect the statutory requirements of the Violence Against Women and Justice Department Reauthorization Act of 2005 (VAWA 2005) that are related to housing choice voucher program HAP contracts and leases.

In addition, Pinal County Housing Authority has implemented and is utilizing the form HUD 50066 Certification of Domestic Violence, Dating Violence, or Stalking for use in its Public Housing program and Housing Choice Voucher (HCV) program. PHAs, owners or managers responding to an incident or incidents of actual or threatened domestic violence, dating violence or stalking that may affect a tenants participation in the housing program to request in writing that an individual complete, sign and submit, within 14 business days of the request, form HUD 50066 Certification of Domestic Violence, Dating Violence, or Stalking. On the form, the individual certifies that he/she is a victim of domestic violence, dating violence, or stalking, and that the incident or incidences in question are bona fide incidences of such actual or threatened abuse. On the certification form, the individual shall provide the name of the perpetrator. In lieu of a certification form, or in addition to the certification form, a tenant may provide to PHAs, managers or owners, (1) a Federal, State, tribal, territorial, or local police record or court record; (2) documentation signed and attested to by an employee, agent or volunteer of a victim service provider, an attorney or a medical professional, from whom the victim has sought assistance in addressing domestic violence, dating violence or stalking, or the effects of abuse, in which the professional attests under penalty of perjury to the professionals belief that the incident or incidents in question are bona fide incidents of abuse, and the victim of domestic violence, or stalking has signed or attested to the documentation.

**DEFINITIONS:** The following definitions were incorporated into the United States Housing Act and apply to this notice.

**Domestic Violence:** Includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim share a child in common, by a person who is cohabitated with or has cohabited with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that persons acts under the domestic or family violence laws of the jurisdiction.

**Dating Violence:** Violence committed by a person:

(A) who is or has been in a social relationship of a romantic or intimate nature with the victim; and (B) where the existence of such a relationship shall be determined based on a consideration of the following factors: (i) the length of the relationship; (ii) the type of relationship; and (iii) the frequency of interaction between the persons involved in the relationship.

**Stalking:** to follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate; or to place under surveillance with the intent to kill, injure, harass, or intimidate another person; and in the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to (i) that person; (ii) a member of the immediate family of that person; or (iii) the spouse or intimate partner of that person.

**Immediate Family Member:** a spouse, parent, brother or sister, or child of the person, or an individual to whom that person stands in loco parentis (in place of a parent); or any other person living in the household of that person and related to that person by blood or marriage.

Protections for Victims of Abuse in the Housing Choice Voucher Program.

The new requirements of VAWA 2005 that are incorporated into the Housing Choice Voucher HAP Contract and Tenancy Addendum are as follows:

\* An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be construed as serious or repeated violations of the lease or other good cause for termination of the assistance, tenancy, or occupancy rights of a victim of abuse. (Section 8(o)(7)(C) of the U.S. Housing Act of 1937.)

\* Criminal activity directly relating to abuse, engaged in by a member of a tenants

household or any guest or other person under the tenants control, shall not because for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenants family is the victim or threatened victim of that abuse. (Section 8(o)(7)(D)(i) of the U.S. Housing Act of 1937.)

\* Notwithstanding the VAWA restrictions on admission, occupancy, or terminations of occupancy or assistance, or any Federal, State or local law to the contrary, a PHA may terminate assistance to or an owner or manager may bifurcate a lease, or otherwise remove a household member from a lease, without regard to whether a household member is a signatory to the lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others. This action may be taken without evicting, removing, terminating assistance to, or otherwise penalizing the victim of the violence who is also a tenant or lawful occupant. Such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by Federal, State, and local law for the termination of leases or assistance under the housing choice voucher program. (Section 8(o)(7)(D)(ii) of the U.S. Housing Act of 1937.)

\* Nothing in Section 8(o)(7)(D)(i) may be construed to limit the authority of a public housing agency, owner, or manager, when notified, to honor court orders addressing rights of access or control of the property, including civil protection orders issued to protect the victim and issued to address the distribution or possession of property among the household members in cases where a family breaks up. (Section 8(o)(7)(D)(iii) of the U.S. Housing Act of 1937.)

\* Nothing in Section 8(o)(7)(D)(i) limits any otherwise available authority of an owner or manager to evict or the public housing agency to terminate assistance to a tenant for any violation of a lease not premised on the act or acts of violence in question against the tenant or a member of the tenants household, provided that the owner, manager, or public housing agency does not subject an individual who is or has been a victim of domestic violence, dating violence, or stalking to a more demanding standard than other tenants in determining whether to evict or terminate. (Section 8(o)(7)(D)(iv) of the U.S. Housing Act of 1937.)

Applicability of VAWA 2005 provisions to existing leases and Voucher HAP Contracts. The authority provided to PHAs, owners, and managers under VAWA 2005 to bifurcate a lease or otherwise remove an individual is applicable to all existing leases for families participating in either the public housing or section 8 programs (including the voucher program), and specific lease language to that effect is not necessary for the PHA, owner, or manager to exercise such authority. Also, the authority to bifurcate a lease or otherwise remove an individual under VAWA is not predicated on existing state or local law that allows for bifurcation. This Federal statutory authority to bifurcate a lease or otherwise remove an individual takes precedence over any Federal, State or local law to

the contrary. However, PHAs, managers, and owners must keep in mind that the eviction of or the termination action against the individual must be effected in accordance with the applicable procedures prescribed by Federal, State, and local law.

\* Nothing in Section 8(o)(7)(D)(i) may be construed to limit the authority of an owner or manager to evict, or the public housing agency to terminate assistance, to any tenant if the owner, manager, or public housing agency can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if the tenant is not evicted or terminated from assistance. (Section 8(o)(7)(D)(v) of the U.S. Housing Act of 1937.)

\* Nothing in Section 8(o)(7)(D)(i) shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than Section 8(o)(7)(D)(i) for victims of domestic violence, dating violence, or stalking. (Section 8(o)(7)(D)(vi) of the U.S. Housing Act of 1937.)

In accordance with PIH Notice 2006-42 and PIH Notice 2007-05, Housing Authorities must be utilizing revised forms in the notice(s): form HUD 50066 Certification of Domestic Violence, Dating Violence or Stalking, form HUD 52641 Housing Assistance Payments Contract Section 8 Tenant-Based Assistance and form HUD 52641-A Tenancy Addendum Section 8 Tenant-Based Assistance Housing Choice Voucher Program.
