#### Succession
The undead Emperor has ruled his mighty interstellar empire of eighty human worlds for sixteen hundred years. Because he can grant a form of eternal life-after-death, creating an elite known as the Risen, his power is absolute. He and his sister, the Child Empress, who is eternally a little girl, are worshipped as living gods. When the Rix, a race of machine-augmented humans, take the Child Empress hostage, Captain Zai is tasked with her rescue. Separated by light years, bound by an unlikely love, Zai and pacifist Senator Nara Oxham must both face the challenge of the Rix, and both will hold the fate of the empire in their hands.

- **Book 2:** *The Killing of Worlds*

#### Midnighters Trilogy
Strange things happen at midnight in the town of Bixby, Oklahoma. Time freezes. Nobody moves. For one secret hour each night, the town belongs to the dark creatures that haunt the shadows. Only a small group of people know about the secret hour -- only they are free to move about the midnight time. These people call themselves Midnighters. Each one has a different power that is strongest at midnight: Seer, Mindcaster, Acrobat, Polymath. For years the Midnighters and the dark creatures have shared the secret hour, uneasily avoiding one another. All that changes when the new girl with an unmistakable midnight aura appears at Bixby High School.

- **Book 2:** *Touching Darkness*
- **Book 3:** *Blue Noon*

#### Peeps
A year ago, Cal Thompson was a college freshman more interested in meeting girls and partying than in attending biology class. Now, after a fateful encounter with a mysterious woman named Morgan, biology has become, literally, Cal's life. Cal was infected by a parasite that has a truly horrifying effect on its host. Cal himself is a carrier, unchanged by the parasite, but he's infected the girlfriends he's had since Morgan. All three have turned into the ravening ghouls Cal calls Peeps. The rest of us know them as vampires. It's Cal's job to hunt them down before they can create more of their kind.

#### So Yesterday
Ever wonder who was the first kid to keep a wallet on a big chunky chain, or wear way-too-big-pants on purpose? What about the mythical first guy who wore his baseball cap backwards? These are the Innovators, the people on the very cusp of cool. Seventeen-year-old Hunter Braque's job is finding them for the retail market. But when a big-money client disappears, Hunter must use all his cool-hunting talents to find her. Along the way he’s drawn into a web of brand-name intrigue—a missing cargo of the coolest shoes he’s ever seen, ads for products that don’t exist, and a shadowy group dedicated to the downfall of consumerism as we know it.
