**Re: 2014 Public Works Project of the Year
American Public Works Association (APWA) – Arizona Chapter**

Dear Mr. Carreon:

On behalf of the Arizona Chapter of APWA, congratulations on the selection of the 1891 Pinal County Courthouse Restoration and Rehabilitation project as this year's recipient of the Public Works Project of the Year in the Historical Restoration/Preservation – \$5 - \$25 Million category. Your award was also sent to APWA National to compete for the National Public Works Project of the Year.

We plan to celebrate this achievement at the 2014 APWA Arizona Chapter Statewide Conference. The awards presentation will recognize the agency, design consultant, and contractor, as well as the award-winning aspects of the project. It is truly one of the highlights of the conference. The Awards Luncheon will be on the second day of the conference, on Tuesday, July 29, beginning at 11:30 a.m. at the Hilton Tucson El Conquistador Hotel in Oro Valley.

We welcome all members of the team who want to attend this important recognition ceremony. A member of the APWA conference committee will be in contact with you in the next month to coordinate the attendees, and to provide further details with regard to cost and registration for the event. APWA is pleased to host up to four agency members of your award-winning team at the conference on Tuesday in addition to the Awards Lunch.

You may have as many members come forward to receive the award as you wish. However, we ask that comments be made by only one member of the team, if desired, and for a maximum of 30 seconds. This will enable us to keep the program moving and allow conference attendees to be on time for the afternoon sessions. Following presentation of each award, a team photograph will be taken after the members exit the stage.

If you have any questions or need additional information in the meantime, please call me at 602-798-7571.

Sincerely,

A handwritten signature in blue ink that reads "Michael W. Sabatini".
