**Re: PINAL COUNTY HOUSING RE-ROOFING OF 9 DUPLEX & 1 SHOP BLDG.
MARICOPA, AZ**

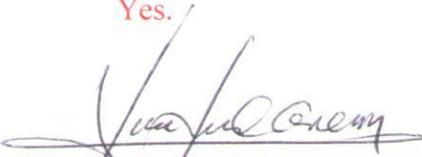

Project No.: 116-15

Addendum #1

The following items shall be incorporated in the work. All items shown on the plans or specified in the project manual shall remain unchanged except as specified herein.

Questions & Responses:

1. Do we insert the bonding cost in the line item #13 (City Permit, Disposal, etc.)?
Replace line item to read: Overhead, profits, bonding and taxes etc.
2. On pages GP-6 9.2 and GP7-9.4 of the bid packet calls out insurance requirements of 2,000,000 occurrence and a 2,000,000 general aggregate limit and XCU coverage, with an umbrella/excess of 1,000,000 dollars? These limits and types of insurance are usually required of general contractors, road construction companies and underground utility contractors not roofing contractors.
The limits and coverage that we have are 1,000,000 per occurrence and 2,000,000 aggregate with no umbrella/excess liability required or any XCU coverage, is our insurance going to be acceptable?
Yes.
