1 INTRODUCTION & BACKGROUND

1.1 Introduction. Pinal County covers 5,386 square miles of south central Arizona. It is located between Maricopa and Pima counties, approximately 50 miles from downtown Phoenix and downtown Tucson. Pinal County's population in 2012 was estimated at 385,000.

The economy of the County is largely based on agriculture and copper mining, with farming predominating in the western half of the County, and mining in the eastern half. Industrial and service jobs are being created in the population centers of Casa Grande, Coolidge, Eloy, and Apache Junction. Pinal County has a five -member Board of Supervisors with a Board-Manager form of government.

1.2 Objective. To enter into an as needed, as required contract with a contractor(s) who would like to provide behavioral health services to Pinal County. Services required by the County include: Crisis Response Teams, Pre-petition screening as needed, Court-ordered evaluations on an inpatient and outpatient basis, Alcohol and Substance Abuse Counseling and Sexual Abuse Counseling.

1.3 Background. Pinal County is seeking qualified practitioners to provide behavioral health services on behalf of the County. Services are currently utilized by the following departments; Adult Probation, Court Administration, and the Public Fiduciary.

Adult probation is responsible for providing services for adult and on rare occasion juvenile probationers. These services include Alcohol and Illegal Substance Abuse Counseling as well as Sexual Abuse Counseling.

The Public Fiduciary's Office is responsible for administering the court-ordered evaluation portion of Title 36, Chapter 5, Article 4 (A.R.S. § 36-520 *et seq.*). The Regional Behavioral Health Authority for Pinal County is Cenpatico. Cenpatico subcontracts with Nursewise for crisis response activation. Pinal County is responsible for payment on approximately 175-200 crisis activations per year. Approximately 85% of these activations proceed to applications and petitions for involuntary court-ordered evaluation. The petition for court-ordered evaluation is transmitted to an inpatient facility for intake assessment. An inpatient court-ordered evaluation generally results in 3-6 inpatient hospitalization days that the County has the responsibility to pay for. A small number, 6-12, of court-ordered evaluations are done on an outpatient basis via telemed or a visit to the evaluators' office.

Additional qualified contractors may be added for these services during the life of the awarded contract as deemed in the best interests of the County.

2 WORK STATEMENT

2.1 General Requirements: The contractor must provide services pursuant to an awarded contract in accordance with the standards of the profession and the license requirements of the State of Arizona. The Contractor must comply with all Federal, State and local legislation, rules and regulations relating to the provision of services described herein. In addition, the Contractor must comply with all applicable Pinal County Department policies and procedures and joint policies or protocols developed by and agreed to in writing between Pinal County and the Contractor.

2.1.1 The Contractor shall provide the County with a current copy of an Arizona Department of Health Services (ADHS) license issued for each facility or location and shall comply with all licensing requirements necessary for the provision of service.

2.1.2 The Contractor shall ensure that suspected or alleged abuse, neglect or exploitation is reported immediately to the appropriate authorities (i.e. Adult Protective Service, ADHS, Law Enforcement, State Board of Nursing, Arizona Medical Board, Board of Osteopathic Examiners, Healthcare Integrity and Protection Data Bank, etc.) upon discovery.

2.1.3 The Contractor shall provide services in a manner that is sensitive to ethnic and cultural diversity with consideration for people who have limited English proficiency or impaired communication abilities.

2.1.4 The Contractor's professional employees shall possess current valid professional licenses or certificates.
