The delivery of materials or services or a portion of the materials or services that do not fully comply constitutes a breach of contract. On delivery of nonconforming materials or services, the County may terminate the Contract for default under applicable termination clauses in the Contract, exercise any of its rights and remedies under the Uniform Commercial Code, or pursue any other right or remedy available to it.
- 8.5 **Right of Offset.** The County shall be entitled to offset against any sums due the Contractor, any expenses or costs incurred by the County, or damages assessed by the County concerning the Contractor's non-conforming performance or failure to perform the Contract, including expenses, costs and damages described in the Uniform Terms and Conditions.

9 CONTRACT TERMINATION

- 9.1 **Cancellation for Conflict of Interest.** Pursuant to A.R.S. § 38-511, the County may cancel this Contract within three (3) years after Contract execution without penalty or further obligation if any person significantly involved in initiating, negotiating, securing, drafting or creating the Contract on behalf of the County is or becomes at any time while the Contract or an extension of the Contract is in effect an employee of or a consultant to any other party to this Contract with respect to the

subject matter of the Contract. The cancellation shall be effective when the Contractor receives written notice of the cancellation unless the notice specifies a later time.

- 9.2 **Gratuities.** The County may, by written notice, terminate this Contract, in whole or in part, if the County determines that employment or a Gratuity was offered or made by the Contractor or a representative of the Contractor to any officer or employee of the County for the purpose of influencing the outcome of the procurement or securing the Contract, an amendment to the Contract, or favorable treatment concerning the Contract, including the making of any determination or decision about contract performance. The County, in addition to any other rights or remedies, shall be entitled to recover exemplary damages in the amount of three times the value of the Gratuity offered by the Contractor.
- 9.3 **Suspension or Debarment.** The County may, by written notice to the Contractor, immediately terminate this Contract if the County determines that the Contractor has been debarred, suspended or otherwise lawfully prohibited from participating in any public procurement activity, including but not limited to, being disapproved as a subcontractor of any public procurement unit or other governmental body. Submittal of an offer or execution of a contract shall attest that the contractor is not currently suspended or debarred. If the contractor becomes suspended or debarred, the contractor shall immediately notify the County.
- 9.4 **Termination for Convenience.** The County reserves the right to terminate the Contract, in whole or in part at any time, when in the best interests of the County without penalty or recourse. Upon receipt of the written notice, the Contractor shall stop all work, as directed in the notice, notify all subcontractors of the effective date of the termination and minimize all further costs to the County. In the event of termination under this paragraph, all documents, data and reports prepared by the Contractor under the Contract shall become the property of and be delivered to the County upon demand. The Contractor shall be entitled to receive just and equitable compensation for work in progress, work completed and materials accepted before the effective date of the termination. The cost principles and procedures provided in A.A.C. R2-7-701 shall apply.
- 9.5 **Termination for Default.** The County reserves the right to terminate any part or all of a contract resulting from this solicitation if the Contractor fails to carry out any term, promise, or condition of the contract. The County will issue a written Notice of Default to the Contractor if in the opinion of the County, the Contractor:
- 9.5.1 Is or becomes insolvent or is a party to any voluntary bankruptcy or receivership proceeding, makes an assignment for a creditor, or there is any similar action that affects Contractor's capability to perform under the contract resulting from this solicitation.
 - 9.5.2 Is the subject of a petition for involuntary bankruptcy not removed within sixty (60) days.
 - 9.5.3 Fails to obtain and/or keep any required bonds and insurance policies in full force and effect at all times during the term of the contract.
 - 9.5.4 Provides services that do not meet the requirements of the contract or conducts business in an unethical or illegal manner.
 - 9.5.5 Fails to complete the required work or fails to perform required services within the time frame stipulated.
 - 9.5.6 Fails to materially perform or comply with the terms and conditions of the contract resulting from this solicitation.

Failure of the Contractor to remedy any problems noted by the deadline set in the Notice of Default or to otherwise bring performance to satisfactory levels that are within the requirements of the Contract shall give the County cause to cancel this contract.

If the County terminates the contract, the Contractor will be provided with a written notice that specifies the effective date of the termination. After receipt of the Notice of Termination, the Contractor agrees to perform under the terms and conditions of this contract up to and including the date of termination as though no termination has been made. In addition, the Contractor shall deliver to the Procurement Office all data, drawings, specifications, reports, estimates, summaries and other information and materials accumulated in performing this contract, whether completed or not.

If the Contract is terminated for default, the County reserves the right to purchase the goods and/or services required under the contract from the open market, to complete required work itself or have it completed at the expense of the Contractor. The County may recover any excess costs by (1) deduction from an unpaid balance due to the Contractor; (2) collection against the proposal and/or performance security; if any; (3) collection against liquidated damages (if applicable); or (4) a combination of the aforementioned remedies or other remedies as provided by law.

- 9.6 **Continuation of Performance Through Termination.** The Contractor shall continue to perform, in accordance with the requirements of the Contract, up to the date of termination, as directed in the termination notice.

10 CONTRACT CLAIMS

All claims and controversies shall be subject to the Pinal County Procurement Code.

11 ARBITRATION

It is understood and agreed that no provision of any resulting contract shall require arbitration upon the County except by the County's express written consent given subsequent to the execution of the Contract. However, if both parties agree, disputes may be resolved through arbitration. The dispute shall be resolved as provided for in A.R.S. Sec. 12-1501, et seq. The Contractor shall continue to render the services required by this contract without interruption, notwithstanding the provisions of this section.
