

Volunteer Applicant,

Attached is the Volunteer Background packet that will have to be completed by all Volunteers. Once it has been approved by the Pinal County Sheriff's Office Background Investigators, all applicants will then need to be scheduled for a CVSA.

The applicant will first need to create a **Sheriff's application**. The website is [www.pinaljobs.com](http://www.pinaljobs.com). If it asks for a job title please put "Explorer Advisor Volunteer". This will allow PCSO Human Resources to decipher what area you are applying for. After you have done this, click "Search Postings" in the top left corner. In the functional title look for "Volunteer PCSO Administrative Support". Click View and then "Apply to this Posting". Once you have applied for the position, please email Deputy [Erik.larson@pinalcountyaz.gov](mailto:Erik.larson@pinalcountyaz.gov) informing him that your application is completed.

Thank You,

Deputy Erik Larson #1330
