

2015

# Five-Year Transportation Improvement & Maintenance Program

**Budget Years 2014-2015  
through 2018-2019**

Board Work Session:  
June 24, 2015

**P I N A L • C O U N T Y**  
*wide open opportunity*

# Transportation Improvement & Maintenance Program

## The Funding

- Pinal County 20-Year Transportation Excise Tax
- Voter approved in 2005

## The Plan

- Pinal County's 5-year transportation program
- Budget Years: 2014-2015 through 2018-2019

## The Committee

- Transportation Advisory Committee
- Board appointed panel charged with updating & recommending the plan

# Program Funding

# Program Funding

**Budget Year 2018-2019**

# Program Priorities

## Roadway Safety

- Maintain focus on roadway safety

## Traffic Flow

- Reduce congestion on the arterial transportation network

## Paved Mileage

- Increase paved mileage with a greater emphasis on regionally significant routes

## *Economic Development*

- *Develop roadways that support economic development zones*

# Program Planning Cycle

## September

- Committee Orientation-Training
- Area Engineers Project Status Reports

## February

- Committee Recommendation on Draft 5-Year Transportation Plan
- Committee Elections of Officers

## November

- Area Engineers Presentation of Project Requests & Amendments to the Committee

# Draft 2015 Five-Year Plan

- **Amendments**
  - Project advancement or carryover from one budget year to another
    - Due to change in priority, scheduling or funding

# Draft 2015 Five-Year Plan

- **New Projects – Budget Year 2018-2019**
  - Requested by the general public or staff
  - Evaluated & recommended by Area Engineers & Public Works Leadership
  - Prioritized & recommended by the Committee

As recommended by the Transportation Advisory Committee February 24, 2015 & pending approval  
by the Board of Supervisors

## Transportation Improvement and Maintenance Program

Budget Year 2014-2015

### PROJECT TYPE IMPROVEMENT

<u>Project</u>	<u>Location</u>	<u>Area Engineer</u>	<u>Activity</u>	<u>Status</u>	<u>District</u>	<u>Total Cost</u>	<u>Page</u>
Florence-Kelvin Highway	Adams Wy-Cochran Rd	Angeline To	Construction	Underway	1	\$1,300,000	1
Gantzel Road (Pathway)	Bella Vista Rd-Poston Butte High School	Celeste Pemberton	New Construction	Pending	2	\$500,000	2

### Make a County Roadway Request through the Transportation Improvement and Maintenance Program

The Transportation Improvement and Maintenance Program (TIMP) allows the public to have an opportunity to make a request to improve and maintain county roads. Your suggestions are welcomed and your request could be considered as a future transportation project. The TIMP is a Five-Year Pinal County Transportation Plan that identifies funding and establishes a schedule for planning, construction, and major maintenance projects.

#### Transportation Project Request

A request can easily be submitted online. Once a request is submitted it is forwarded to a Public Works area Engineer to determine eligibility for the Transportation Improvement and Maintenance Program (TIMP). The area engineer researches the average daily traffic, right-of-way, maintenance status, utility conflicts and drainage issues of the proposed project. If eligible, the proposed project is further evaluated by significant reduction in safety risk, reducing fugitive dust or aligning with the regional transportation plan. Eligible and evaluated projects are generally added to the fifth year of the transportation plan.

#### Transportation Advisory Committee

Once a transportation project request has been added to the proposed draft TIMP, it is handed over to the Transportation Advisory Committee (TAC) for prioritization. Public Works finalizes the proposed TIMP based on the prioritization and then submits the draft back to TAC for approval. TAC is a recommending body to the Pinal County Board of Supervisors on transportation planning, construction, and maintenance projects within the county's jurisdictional boundaries. The TAC annually reviews, updates, and recommends a fiscally constrained, Five-Year Transportation Plan.

#### TAC Meetings

The Transportation Advisory Committee (TAC) consists of ten qualified electors of Pinal County, two members from each of Pinal County's five supervisory districts to serve a four-year term. TAC meetings are held each September, November, and February. Meetings begin at 2:30 p.m. and located in the Pinal County Administrative Complex (1891 Historic Courthouse), Ironwood Conference Rm #101, 135 Pinal St., Florence, AZ 85132. All notices and agendas are posted in compliance with Arizona's Open Meeting Law.

#### Five-Year Plan

As the final step, Public Works submits the approved draft by the Transportation Advisory Committee to the Pinal County Board of Super-visors for final approval and inclusion in Pinal County's annual operating budget. Pinal County's Five-Year Transportation Plan identifies funding and establishes a schedule for completion of planning, construction, and major maintenance projects. Funding for the Five-Year Transportation Plan is provided by revenues from Pinal County's Transportation Excise Tax, the half-cent road tax, approved by voters in 2005.
