SAMPLE BALLOT

QUESTION NO. 421

Shall the Governing Board of Stanfield Elementary School District No. 24 of Pinal County, Arizona, adopt a General Maintenance and Operation Budget that includes an amount that exceeds the revenue control limit specified by statute by ten percent for fiscal year 2018/2019 and for six subsequent years as described below?

The amount of the proposed increase of the proposed budget over the alternate budget for fiscal year 2018/2019 is estimated to be \$366,500. In fiscal years 2018/2019 through 2022/2023 the amount of the proposed increase will be ten percent of the District's revenue control limit in each of such years, as provided in Section 15-481(P) of the Arizona Revised Statutes. In fiscal years 2023/2024 and 2024/2025, the amount of the proposed increase will be six and two-thirds percent and three and one-third percent, respectively, of the District's revenue control limit in each of such years, as provided in Section 15-481(P) of the Arizona Revised Statutes.

Any budget increase authorized by this election shall be entirely funded by a levy of taxes upon the taxable property within this school district for the year for which adopted and for six subsequent years, shall not be realized from monies furnished by the state and shall not be subject to the limitation on taxes specified in Article IX, Section 18, Constitution of Arizona. Based on the current net assessed valuation used for secondary property tax purposes, to fund the proposed increase in the school district's budget would require an estimated tax rate of \$1.1246 per one hundred dollars of net assessed valuation used for secondary property tax purposes and is in addition to the school district's tax rate which will be levied to fund the school district's revenue control limit allowed by law.
