## **COUNTY MANAGER'S BUDGET MESSAGE**

Honorable Chairman and  
Members of the Board of Supervisors:

It is my pleasure to submit for your consideration, the proposed Fiscal Year 2012-2013 budget. Proposed spending for FY 2012-13 is capped at \$334,515,835 for the upcoming year. This budget number includes all of the estimated expenditures and all reserve funds and cash on hand that is earmarked for specific projects or purposes.

The proposed budget also incorporates new policy directives that have been proposed, debated and approved by the Board of Supervisors during public meetings. These policy initiatives, while difficult, have proved essential to compile a budget that will see Pinal County through the upcoming fiscal year.

### **OVERVIEW**

Service Delivery: In this proposed budget, we sought to maintain our capability to effectively keep up with the demands for County services and the activities necessary to ensure responsive service delivery. The role of local government, however, is ultimately limited by its ability to pay for services. As a result, this budget does not include everything requested by departments or wished for by the public.

Financial Wellbeing: Recent steps to reduce expenditures and identify inefficiencies have made the current spending plan possible. Continued cost containment and improved efficiency will be needed to ensure Pinal County's cost of government and tax rate are as competitive as possible.

### **PROPERTY TAXES**

The proposed budget calls for a primary property tax rate of \$3.7999 per \$100.00 of assessed valuation, which will levy \$81,841,628, \$4,562,258 less in property tax as was levied during FY 2011-12.

#### **COUNTY MANAGER**

### Historical Property Tax Levies

Fiscal Year	Tax Rate	Tax Levy	Variance
FY 2006-07	\$4.3035	\$63,354,388	\$9,338,343
FY 2007-08	\$4.0183	\$76,701,377	\$13,346,989
FY 2008-09	\$3.4355	\$85,369,290	\$8,667,913
FY 2009-10	\$3.3216	\$93,087,922	\$7,718,632
FY 2010-11	\$3.9999	\$102,487,281	\$9,399,359
FY 2011-12	\$3.9999	\$86,403,886	(\$16,083,395)
FY 2012-13	\$3.7999	\$81,841,628	(4,562,258)

### EXPENDITURES

The Pinal County FY 2012-13 budget is \$334.5 million. This is 6% lower than the authorized budget for FY 2011-12 of \$357.1 million.

During the last three legislative sessions, the state swept funds and shifted costs to counties to help balance the state's budget. For FY 2012-13, the negative fiscal impact to Pinal County taxpayers will be \$3,114,727.

### State Budget Impacts for FY 2012-13

Enacted FY 13 Budget	Pinal County
HURF shift to fund AZ Dept of Public Safety	(\$1,388,137)
50% of costs to house Sexually Violent Persons at State Hospital	(\$342,145)
100% of costs for Rural Restoration to Competency	(\$666,974)
Reduced State Share of JP Salaries	(\$138,167)
ACJC Grants to Indigent Defense	(\$29,269)
Elimination of the County Assistance Fund	(\$550,035)
<b>Estimated Fiscal Impact</b>	<b>(\$3,114,727)</b>

Workforce: Pinal County staffing levels will decrease by 85 full time equivalents (FTEs) from FY 2011-12 levels. These reductions are a result of streamlining operations where appropriate.

## **FUTURE CHALLENGES**

Although we have officially been out of the most severe recession since the Great Depression for over two years, the recovery has been so weak most people do not recognize that much has changed. This modest recovery coupled with global economic risks, will continue to create budgetary concerns for several years and will require us to eliminate non-essential activities, streamline our processes and target resources on true priorities.

The loss in value of residential and commercial properties is the number one reason leading to a structural gap between revenues and expenditures in our General Fund. Effective management has enabled the County to plan to use existing cash while revenues catch up with expenditures. However, given the existing economic realities, the County must contain expenditures, gain efficiencies, and be ready to make tough decisions in the future should the economy make a negative turn.

Even when the recovery does come to the private sector in Pinal County, government coffers will not see the benefit for one to two years later. In the near term, we still have a few years of financial challenges to deal with, but we are not in a financial crisis. With continued proactive attention by all elected and appointed officials, we can avoid any potential crisis. The coming years will present more challenges, but it is clear that Pinal County is up for the challenge. We will emerge from this situation a leaner and stronger government.

## **CONCLUSION**

As we look toward the future, we must continue to seek opportunities to operate more efficiently and lower costs. We must prudently plan to guarantee adequate resources to finance current operating costs, maintain and support existing infrastructure, provide for new infrastructure when needed and maintain an adequate level of reserves. If we can continue to improve our performance, we will be able to provide the services that our citizens expect and demand in a fiscally responsible manner.

Sincerely,

Fritz A. Behring  
County Manager

RE: Truth in Taxation Hearing

Dear Ms. Prins:

Attached is the 2012 levy limit worksheet with net assessed values certified on February 10, 2012 by the County Assessor. Per A.R.S. § 42-17052(A), these values cannot be changed after February 10 without the approval of the Property Tax Oversight Commission. Therefore, the net assessed values of \$2,153,783,739 noted in Section C must be used when adopting a primary property tax levy and tax rate. Please note the maximum allowable tax rate and levy limit in Section D of the levy limit worksheet.

Per A.R.S. § 42-17107(A), if the proposed tax levy, excluding amounts that are attributable to new construction, is greater than the amount levied in the preceding tax year, a truth in taxation hearing must be held. If Pinal County intends to levy a tax rate greater than \$4.0574, a truth in taxation hearing must be held (truth in taxation rate = prior year actual levy of \$86,403,886 ÷ current year value of last year's property of \$21,295,503). If a truth in taxation hearing is required, forward to my attention a copy of the published truth in taxation notice, the Affidavit of Publication, and the result of the governing body's roll call to consider a motion to levy the increased property taxes.

If you have any questions regarding the 2012 Levy Limit Worksheet or the Truth in Taxation hearing requirements, please feel free to contact me at (602) 716-6436 or [dteller@azdor.gov](mailto:dteller@azdor.gov).

Thank you for your cooperation with the Commission.

Sincerely,

Darlene Teller  
PTOC Staff
