Date: March 25, 2020

Pursuant to AO2020-00025/Matter Authorizing Change in Court Proceedings to Prevent Spread of COVID-19, appearances have been waived for status conferences and review hearings from March 23, 2020 – April 26, 2020. Therefore, the jail has been directed to not transport inmates to court unless the Judicial Division specifically notifies the jail to do so. The Attorneys are directed to notify the Judicial Division 3 business days in advance of the hearing if the inmate presence is necessary. This would include inmates who will proceed to sentencing or will be entering a plea or admission in Early Disposition Court, or Probation Revocation Court. Thank you for your cooperation in this matter.
