

PINAL COUNTY SUPERIOR COURT

We are committed to the health and safety of all court users. Below are the measures we have put in place to promote a safe and healthy environment while you conduct your court business.

Healthy Visitors & Employees

Daily health screening and temperature checks are administered on everyone entering the courthouse. If you are ill, please do not come to the courthouse. Contact your attorney for more information if you cannot attend your hearing.

Sanitized Courthouse

High traffic areas are frequently cleaned and sanitized. Hand sanitizer stations are available throughout the courthouse for your use.

Protective Equipment

Face coverings must be worn by everyone entering the courthouse. Protective barriers have been installed where feasible. You must wear your mask throughout your visit unless a Judge instructs you otherwise.

Social Distancing

We adhere to CDC guidelines. We are limiting three riders to elevators at a time. Please help by not congregating in public areas. Courtroom seating is limited. If you are not a party to the case, there is a chance you may not be permitted in the courtroom.

Please contact us, or visit our websites, prior to visiting the courthouse. Many services are available online and may be done without physically entering the courthouse. Thank you for your cooperation and stay well.
