

# FLOOD CONTROL DISTRICT

## VEKOL & SMITH WASHES WATERSHED PLAN/ ENVIRONMENTAL ASSESSMENTS

We need your input on issues and concerns related to flooding and other natural resources, such as wildlife, vegetation, air quality, soil and recreation in the Vekol Wash and Smith Wash watersheds. Your comments will help the project team to identify problem areas as well as potential project alternatives that could be implemented in the future to address these concerns.

Please complete this comment form by September 19, 2020 to be included in the summary of comments.

**Please select which describes you. Please mark all that apply.**
