Elections 2021

It's a common belief that elections are held once every four years. That is simply not true. Pinal County Elections Department has four possible elections *each* year. They are held during the months of March, May, August, and November. Keep in mind, an election is not always held during each of these months.

Elections in 2021
Redistricting
Update Your Info

For 2021, we know that there will be a May and November election. The May election is a local jurisdictional election for the San Manuel/Mammoth Unified School District and the City of Casa Grande. The election will be held on Tuesday, May 18, 2021. Each jurisdiction will have one proposition each on the ballot. The election will be by mail as decided upon by the school district and City of Casa Grande. Election ballots will be mailed to all registered voters residing in the San Manuel/Mammoth Unified School District and the City of Casa Grande. This is not a county-wide election and polling places will not be open.

Check out the [Pinal County Elections website](#) for more information about the 2021 May Jurisdictional Election. More information about the August and November elections will be shared as it becomes available.

Redistricting

Redistricting is the way we change the districts that determines who represents us.

Most of our federal legislators, all of our state legislators, and many of our local legislators in towns, cities, and counties are elected from districts. These districts divide states and the people who live there into geographical areas. As Pinal County populations increase, districts are disproportioned and each district is then not equal in its representation.

This means district boundaries need to be readjusted periodically to account for new populations. So now that the Census is over, district boundaries have to be redrawn based on the decennial data collected by the Census.

The 2021 Arizona Independent Redistricting Commission has been established to redraw these boundaries. Follow the redistricting process [here](#).
