

Back-to-School Immunization Appointments

In preparation for back-to-school and to ensure that we continue taking proactive measures in reducing the spread of COVID-19, Pinal County Public Health Clinics will be scheduling immunization appointments in advance.

Effective Monday, May 18th, the following Pinal County Public Health Clinics will remain open from 8:00 a.m. to 6:00 p.m. We will begin providing Immunization services by appointment only.

We kindly ask parents and students to **not** walk in during this time. Instead, call our Central Appointment Desk at 866-960-0633 today to secure an appointment in any of the following Public Health Clinics below:

- **Apache Junction Clinic** – 575 N. Idaho Rd. Suite 301, Apache Junction, AZ 85119 (Tuesday – Friday)
- **Casa Grande Clinic** – 1729 E. Trekell Rd. Suite 120, Casa Grande, AZ 85122 (Monday – Friday)
- **San Tan Valley Clinic** - 36235 N Gantzel Rd., San Tan Valley, AZ 85140 (Monday – Thursday)
- **Mammoth Clinic** – 110 Main St Mammoth, AZ 85618 (Thursday & Friday)

Follow these steps to make sure your child is ready for school:

1. Schedule your child's visit early before school starts at 1-866-960-0633. Avoid the back-to-school rush and long wait times by scheduling an appointment today!

2. Talk to your child's health care provider and school about what vaccines your child needs. We recognize every child is different.

Before your appointment:

3. Be prepared with a mask for both you and your child/children 3 years old or older

4. Bring your child/children's Immunization (shot) Records.

5. Fill out and bring the immunization registration form (1 per each child), if possible. Having the form filled ahead of time will decrease the amount of time you are in our clinics. The form can be found on our website at www.pinalcountyz.gov/publichealth/Documents/Immunization%20Forms.pdf

6. Provide a letter granting permission if someone other than a parent/legal guardian will be bringing your child/children in place of you. The letter should include: child's name, date of birth, your name, signature, phone number and date.

We look forward to helping you and your family with all your Immunization needs.
