

Adult immunizations provided at no cost *for qualifying adults*

Pinal County Public Health clinics are pleased to provide vaccine for qualifying adults through the Arizona Vaccine For Adults (VFA) program. This program will provide vaccinations to qualifying adults, who are either uninsured or underinsured. Depending on availability and CDC recommendations, these vaccinations may include:

- Tdap
- Hepatitis A
- Hepatitis B
- HPV
- MMR
- Varicella
- Meningococcal (ACYW and B)
- Influenza (seasonal)

Immunizations are provided on a walk-in basis at our Pinal County Public Health Clinics. For more information and clinic locations call our central appointment desk at 1-866-960-0633
